Glossary
Chapter 1
General Provisions

Section I
General

1–1. Purpose

a. This regulation sets policies, standards, and procedures to ensure the readiness and competency of the U.S. Army while providing for the orderly administrative separation of Army National Guard of the United States (ARNGUS) and U.S. Army Reserve (USAR) enlisted Soldiers for a variety of reasons. Readiness is promoted by maintaining high standards of conduct and performance. The separation policies in this regulation promote the readiness of the Army by providing an orderly means to—

(1) Judge the suitability of persons to serve in the Army on the basis of their conduct and their ability to meet required standards of duty performance and discipline.

(2) Maintain standards of performance and conduct through characterization of service in a system that emphasizes the importance of honorable service.

(3) Achieve authorized force levels and grade distribution.

(4) Provide for the orderly administrative separation of enlisted Soldiers in a variety of circumstances.

b. Department of the Army separation policy is designed to strengthen the concept that military service is a calling different from any civilian occupation.

(1) The acquisition of military status involves a commitment to the United States, the Army, fellow citizens, and Soldiers to successfully complete a period of obligated service. Early separation for failure to meet required standards of performance or conduct represents a failure to fulfill that commitment.

(2) Millions of Americans from diverse backgrounds and with a wide variety of aptitudes and attitudes upon entering military service have served successfully in the reserve components of the Army. It is the policy of the Department of the Army to provide Soldiers with the training, motivation, and professional leadership that inspires the dedicated Soldier to emulate their predecessors and peers in meeting required standards of performance and conduct.

(3) The Army makes a substantial investment in training, time, equipment, and related expenses when persons enter into military service. Separation prior to completion of an obligated period of service is wasteful because it results in loss of this investment and generates a requirement for increased accessions. Consequently, attrition is an issue of significant concern at all levels of responsibility within the reserve components of the Army. Reasonable efforts should be made to identify Soldiers who are likely to be separated early, and to improve their chances for retention through counseling, retraining, and rehabilitation prior to initiation of separation proceedings. Soldiers who do not conform to required standards of conduct and performance and Soldiers who do not demonstrate potential for further military service should be separated to avoid the high costs of continued service in terms of pay, administrative efforts, degradation of morale, and substandard mission performance.

c. This regulation provides—

(1) The authority for separation of Soldiers upon expiration of their military service obligation (MSO).

(2) The authority and general provisions governing the separation of Soldiers before the expiration of their service obligation to meet the needs of the reserve components of the Army and its Soldiers.

(3) The criteria for characterizing or describing military service as being honorable, general (under honorable conditions), or under other than honorable conditions, and when the service is not characterized.

1–2. References

Required and related publications and prescribed and referenced forms are listed in appendix A.

1–3. Explanation of abbreviations and terms

Abbreviations and special terms used in this regulation are explained in the glossary.

1–4. Responsibilities

a. The Deputy Chief of Staff, G–1 (DCS, G–1) has Army general staff responsibility for the enlisted separation program.

b. The Chief, National Guard Bureau (CNGB) has special staff responsibility for ARNGUS Soldiers. The CNGB will monitor the Army National Guard (ARNG) enlisted separations process.

c. The Chief, Army Reserve (CAR) has special staff responsibility for USAR Soldiers. The CAR will monitor the USAR enlisted separations process.

d. With respect to reserve enlisted Soldiers under their respective commands, the Commander, U.S. Army Human Resources Command (HRC); Commander, Reserve Officers’ Training Corps (ROTC) Cadet Command; Commander, U.S. Army Human Resources Command (AHRC–OPD–R); Commander, U.S. Army Aviation Center and Fort Rucker; Commander, U.S. Army Reserve Readiness Training Center; and Commanding General, U.S. Army Recruiting
Command will ensure that the policies, standards, and procedures of this regulation are applied consistently, that fact-finding inquiries are conducted properly, that no abuse of authority occurs, and that failure to follow the provisions of this regulation results in appropriate corrective action.

1–5. Statutory authority
The following provisions of law contained in Title 10, United States Code (10 USC), pertain to the separation of Reserves of the Army:
   a. (Rescinded.)
   b. Section 1176(b) provides for the retention of Reserve enlisted Soldiers in an active status on completion of 18 but fewer than 20 years of qualifying service for retired pay.
   c. 10 USC 1177 stipulates that a medical examination is required for Soldiers deployed in the previous 24 months who have been diagnosed with or reasonably allege post traumatic stress disorder (PTSD) or traumatic brain injury (TBI). In addition, prior to being administratively separated with an other than honorable discharge, these Soldiers must be evaluated by a physician or behavior health professional regarding the potential influence of PTSD or TBI on the circumstances of the separation and this evaluation must be considered by the separation authority prior to approval of the separation.
   d. 10 USC 1214a stipulates that members determined fit for duty in a physical evaluation board (PEB) evaluation may not be involuntarily separated due to unsuitability for deployment or worldwide assignment based on the same medical conditions considered by the PEB.
   e. Section 10206 provides that members of the Ready Reserve not on active duty (AD) will undergo a medical examination every 5 years and execute and submit annually a certificate of physical fitness.
   f. Section 12106 provides that an enlisted member of the ARNGUS who is discharged from the ARNG but not concurrently discharged as a Reserve of the Army automatically becomes a member of the USAR.
   g. Section 12641 provides for regulatory directives pertaining to standards and qualifications for retention in the reserve components and for the disposition of those Soldiers who fail to comply with such standards and qualifications.
   h. Section 12644 provides for the disposition of those Soldiers determined to be physically unfit for AD.
   i. Section 12681 provides that the Secretary of the Army will prescribe regulations for discharge of Reserves of the Army.
   j. Section 12682 provides that Reserves of the Army who become regular or duly ordained ministers of religion will be discharged upon their request.
   k. Section 12684 describes the circumstances under which Reserves of the Army may be dropped from the rolls of the Army.
   l. Section 12685(1) precludes the discharge of Reserves of the Army for cause, except under 10 USC 12684, under other than honorable conditions unless such discharge is the result of an approved sentence of a court-martial or approved findings of a board of officers.
   m. Section 12685(2) describes other circumstances when a reserve Soldier separated for cause may receive a characterization of service other than under honorable conditions.

1–6. Separation processing goals
   a. The separation process will be conducted efficiently and in a manner which will afford each Soldier being separated the courtesy, recognition, and consideration deserved by the nature of the service performed. Separation processing must be accomplished in a manner which will enhance the dignity of the individual and leave the departing Soldier with a favorable attitude toward the Army.
   b. Processing time for separations when the notification procedure is used will not exceed 45 days. Processing time when the administrative board procedure is used will not exceed 90 days. Time will be measured from the date of notification to the Soldier of the proposed separation to the date of separation. Shorter processing times are encouraged. Failure to process an administrative separation within these time frames does not create a bar to separation or characterization of service other than under honorable conditions.

1–7. DA Form 5138 (Separation Action Control Sheet)
   a. To ensure separation processing goals are met, commanders initiating separation actions under the notification procedure (chap 3, sec II, of this regulation) or the administrative board procedure (chap 3, sec III, of this regulation) will initiate, maintain, and file Department of the Army (DA) Form 5138.
   b. On final disposition of the proceedings, a copy of DA Form 5138 will be filed with each copy of the proceedings.

1–8. Medical processing and evaluation
   a. Medical examinations are required for Soldiers being processed for separation under chapter 6, of this regulation (paras 6–3, 6–6, and 6–7 only). When medical examinations incident to separation under other provisions of this regulation are not required, examinations will be administered, if requested, in writing, by the Soldier or if the Soldier’s
commander considers it necessary based on the circumstances of the case or when the Soldier’s fitness is in doubt. Completion of the physical will not delay separation.

b. In addition to a medical examination, a mental status evaluation is required for Soldiers being processed for separation under paragraph 6–7b.

(1) The mental status evaluation for Soldiers being processed for separation under paragraph 6–7b, of this regulation, must have the diagnosis of personality disorder established by a psychiatrist or doctoral-level clinical psychologist with necessary and professional credentials, who is privileged to conduct mental health evaluations for Department of Defense (DOD) components. Masters-level or doctoral-level social workers are not authorized to diagnose a personality disorder used as the basis for separation under this chapter. For Soldiers who have served or are serving in an imminent danger pay area, a diagnosis of personality disorder must be corroborated by the medical treatment facility (MTF), Chief of Behavioral Health, or an equivalent official. The Chief, Behavioral Health Division, Health Policy and Service Directorate, Office of the Surgeon General (DASG-HSZ) will conduct the final review and confirm the corroborated diagnosis. Medical review of the personality disorder diagnosis will consider whether PTSD, TBI, and/or other co-morbid mental illness are significant contributing factors to the diagnosis. A Soldier will not be processed for administrative separation under these chapters if PTSD, TBI, and/or other co-morbid mental illness are significant contributing factors to a diagnosis of personality disorder, but will be evaluated under the Physical Disability Evaluation System in accordance with AR 635-40. The mental status evaluation will be documented in the Soldier’s medical record on Standard Form (SF) 600 (Medical Record—Chronological Record of Medical Care).

(2) (Rescinded.)

(3) Commanders referring a Soldier for mental status evaluation that is not required, as specified above, must comply with the provisions of DODD 6490.1, DODI 6490.4, and AR 600–20, paragraph 5–4b, of this regulation.

c. Soldiers being considered for separation under paragraph 6–7 on the basis of other physical or mental conditions not amounting to disability (AR 635-40), other than personality disorder, such as disturbances of perception, thinking, emotional control, or behavior sufficiently severe that the Soldier’s ability to effectively perform military duties is significantly impaired, must also have the diagnosis established by a psychiatrist or doctoral-level clinical psychologist with necessary and appropriate professional credentials who is privileged to conduct mental health evaluations for DOD components. Doctoral-level social workers are authorized to diagnose a mental condition, other than personality disorder, as the basis for separation. In the case of Soldiers who are, or have been, deployed to an area designated as an imminent danger pay area, the diagnosis of a mental condition not amounting to a disability must be corroborated by the MTF Chief of Behavioral Health (or an equivalent official). The corroborated diagnosis will be forwarded for final review and confirmation by the Chief, Behavioral Health Policy and Service Directorate, Office of the Surgeon General (DASG-HSZ). Medical review of the diagnosis of a mental condition not amounting to a disability will consider whether PTSD, TBI, and/or other co-morbid mental illness may be significant contributing factors to the diagnosis. If PTSD, TBI, and/or other co-morbid mental illnesses are significant contributing factors to a mental health diagnosis, the Soldier will not be processed for separation under paragraph 6-7, but will be evaluated under the Physical Disability Evaluation System in accordance with AR 635-40.

d. Detailed information about the reasons for considering a Soldier for separation will be provided to attending medical personnel to permit a thorough understanding of the considered action. Medical personnel will not be used in an investigative capacity to determine facts relative to a Soldier’s behavior.

e. Mandatory medical examination requirements prior to administrative separation.

(1) In order to evaluate a potential diagnosis of PTSD or TBI, prior to administrative separation under conditions other than honorable, medical examination results must be reviewed by the separation authority on all Soldiers who have deployed overseas in support of contingency operations during the previous 24 months when they—

(a) Have been diagnosed by a physician, clinical psychologist, or psychiatrist as experiencing PTSD or TBI.

(b) Reasonably alleging, based on their deployed service, the influence of such a condition.

(2) In cases involving PTSD, the pre-separation medical examination will be performed by a clinical psychologist, psychiatrist, licensed clinical social worker, or psychiatric advanced practice registered nurse. In cases involving TBI, the pre-separation medical examination will be performed by a physician, clinical psychologist, psychiatrist, or other health care professional, as appropriate.

(3) The medical examination will assess whether the effects of PTSD or TBI constitute matters in extenuation that relate to the basis for administrative separation under conditions other than honorable or the overall characterization of service of the Service member as other than honorable.

(4) The medical examination and procedures required by this paragraph do not apply to courts-martial or other proceedings conducted pursuant to the Uniform Code of Military Justice.

f. Involuntary administrative separation for a medical condition under this paragraph will not be approved based on a determination that the Soldier is unsuitable for deployment or worldwide assignment if a PEB has determined that the Soldier is fit for duty for the same medical condition. In the event of such a PEB determination, the initial separation authority may request, through the chain of command, that the Secretary of the Army direct a subsequent PEB to determine if the Soldier is unsuitable for continued military service.
g. Except as provided in b, above, specific responsibilities and procedures for conducting medical examinations and mental status evaluations will be prescribed in pertinent regulatory guidance issued by The Surgeon General.

h. Soldiers being processed for separation under those chapters cited in a, above, who refuse to undergo a medical evaluation or mental status evaluation, when required, will be processed as follows:

   (1) The Soldier will be advised, in writing, that failure to undergo such examination or evaluation will be the basis for the separation action to proceed, despite the absence of such information. Reasonable effort should be made to furnish copies of the notice to the Soldier through personal contact by a representative of the command. If the Soldier cannot be contacted or refuses to acknowledge receipt of the notice, the notice will be sent by registered or certified mail to the most recent address furnished by the Soldier as an address for receipt or forwarding of official mail. A return receipt will be requested. The individual who mails the notification will prepare an Affidavit of Service by Mail (fig 1–1). This will be inserted in the Soldier’s personnel file together with PS Form 3800 (Receipt for Certified Mail).

   (2) Except for separation based on personality disorder (para 6–7b, of this regulation), when a Soldier has failed or refused to comply after notification in (1), above, or if the notification was mailed and the Soldier fails to acknowledge receipt, or to submit a reply within 30 days, separation action may be taken without a medical examination or mental status evaluation. A Soldier may not be separated based on personality disorder (para 6–7b, of this regulation) without the required psychiatric evaluation. Copies of communications remaining unanswered or returned unclaimed along with the dates and addresses will be included in the recommendations for discharge. Also, a brief description of any other means used to locate or communicate with the Soldier concerned will be included. If a board is required, these documents will be furnished to the board of officers. They will be made a part of the board proceedings.

   (3) Soldiers being processed for separation under paragraph 6–7b, of this regulation, will necessarily have already had the appropriate mental status evaluation. Accordingly, the provisions of e, above, apply only to medical evaluations for such Soldiers.

   i. Soldiers being processed for separation under those chapters cited in a, above, who refuse to undergo a medical examination, mental status evaluation, or psychiatric/psychological evaluation, when required, will be processed as follows:

      (1) The Soldier will be advised in writing that failure to undergo such examination or evaluation will be the basis for the separation action to proceed, despite the absence of such information. Reasonable effort should be made to furnish copies of the notice to the Soldier through personal contact by a representative of the command. If the Soldier cannot be contacted or refuses to acknowledge receipt of the notice, the notice will be sent by registered or certified mail to the most recent address furnished by the Soldier as an address for receipt or forwarding of official mail. A return receipt will be requested. The individual who mails the notification will prepare an Affidavit of Service by Mail (fig 1–1). This will be inserted in the Soldier’s personnel file together with PS Form 3800.

      (2) Except for separation based on a personality disorder (para 6–7b, of this regulation), when a Soldier has failed or refused to comply after notification in (1), above, or if the notification was mailed and the Soldier fails to acknowledge receipt, or to submit a reply within 30 days, separation action may be taken without a medical examination, mental status evaluation, or psychiatric/psychological evaluation. A Soldier may not be separated based on a personality disorder (para 6–7b, of this regulation) without the required psychiatric evaluation. Copies of communications remaining unanswered or returned unclaimed along with the dates and addresses will be included in the recommendations for discharge. Additionally, a brief description of any other means used to locate or communicate with the Soldier concerned will be included. If a board is required, these documents will be furnished to the board of officers. They will be made a part of the board proceedings.

1–9. Precedence of referral to the Physical Disability Evaluation System and administrative separation

   a. Except as specified in paragraphs b and c below, processing under the Physical Disability Evaluation System (PDES) takes precedence over administrative separation action when the MTF commander, or attending medical officer determines that a Soldier has a medical condition that may not meet the medical retention standards of AR 40-501, chapter 3. For purposes of this paragraph, processing under the PDES means referral of the Soldier to a medical evaluation board (MEB), under the provisions of AR 40-400, and when the MEB determines the Soldier does not meet medical retention standards, referral of the Soldier to a Physical Evaluation Board (PEB) under the provisions of AR 635-40. The precedence of PDES processing to administrative separation applies regardless of whether the PDES process begins before or after initiation of the administrative separation.

   b. Soldiers being processed for separation under chapter 7 or chapter 11 remain eligible to be referred to the MEB. However, they are ineligible to be referred to the PEB or to otherwise be separated or retired for physical disability unless the Soldier’s General Court Martial Convening Authority (GCMCA) abates the separation action, as set forth below.

      (1) When a MEB is required, as described in paragraph a, above, the administrative separation proceedings will continue but final action by the separation authority will not be taken until after the MEB findings are finalized.

      (2) If the MEB finds the Soldier meets medical retention standards, the MTF commander will forward the approved MEB proceedings to the separation authority and unit commander to complete the separation action.
Authority to Order and Accomplish Separation

Section II

1–10. Authority to order separation prior to expiration of service obligation

Except where approval by Headquarters, Department of the Army (HQDA) is required, the following officials are authorized to convene administrative separation boards as required, and to order separation under this regulation. The separation authority delegated to commanders by this regulation will not include the authority to discharge a Soldier under court-martial sentence that includes a dishonorable or bad conduct discharge, prior to the completion of appellate review, unless the discharge is directed by HQDA.

a. For Army National Guard of the United States Soldiers. State Adjutants General.

b. For U.S. Army Reserve Soldier.

(1) The Commander, U.S. Army Human Resources Command for Soldiers under his or her jurisdiction serving in the Individual Mobilization Augmentee (IMA) Program, or assigned to the individual ready reserve (IRR), the Standby Reserve, or the Retired Reserve. (See para 1–13, of this regulation).

(2) Area commanders (see glossary) for Soldiers attached or assigned to troop program units (TPUs) of the Selected Reserve within their jurisdiction. An area commander may delegate authority to order separations and convene administrative separation boards under this regulation for separation of Soldiers within the jurisdiction of that commander to any subordinate general officer commander who has a Staff Judge Advocate or legal advisor.

(3) When authorized by the State Adjutant General, or the officials cited in paragraphs (1) or (2), above, unit commanders may order discharge in accordance with paragraph 5–3, of this regulation, for immediate reenlistment under the provisions of AR 140–111 or National Guard Regulation (NGR) NGR 600–200, as appropriate.

(4) The GCMCA, upon considering the MEB findings (or the last completed level of PEB findings, as the case may be) may abate the administrative separation action to direct referral of the Soldier to the PEB (or allow PEB evaluation to continue, as applicable) when the GCMCA finds that—

(a) The Soldier’s medical condition is the direct or substantial contributing cause of the conduct that led to the recommendation for administrative elimination.

(b) Other circumstances of the individual case warrant disability processing instead of further processing for administrative separation.

(5) The authority of the GCMCA to determine whether the administrative separation action will proceed or be abated for disability evaluation will not be delegated.

(6) The GCMCA’s signed decision to abate the administrative separation will be transmitted to the MTF commander as authority for referral of the case to a PEB (or disability evaluation/disposition to be completed, as the case may be).

(7) Copies of the GCMCA’s decision will be furnished to the unit commander and included in the administrative separation packet for filing.

(8) If the outcome of PEB evaluation is a finding of “Fit for Duty,” processing of the administrative separation action through appropriate command channels may resume.

(9) If the MEB findings indicate referral of the case to a physical evaluation board (PEB) is warranted for disability processing under the provisions of AR 635–40, the MTF commander will furnish copies of the approved MEB proceedings to the Soldier’s General Court Martial Convening Authority (GCMCA) and unit commander. The GCMCA may direct, in writing, that the Soldier be processed through the physical disability system when action under the Uniform Code of Military Justice (UCMJ) has not been initiated, and it has been determined that—

1. The Soldier’s medical condition is the direct or substantial contributing cause of the conduct that led to the recommendation for administrative elimination or,

2. Other circumstances of the individual case warrant disability processing instead of further processing for administrative separation.

a. The authority of the GCMCA to determine whether a case is to be processed through medical disability channels, or under administrative separation provisions, will not be delegated.

b. The GCMCA’s signed decision to process a Soldier through the physical disability system will be transmitted to the MTF commander as authority for referral of the case to a PEB. Copies of the GCMCA’s decision will be furnished to the unit commander and will be included in the administrative separation proceedings. The unit commander will suspend processing of the administrative separation action pending the PEB. If the Soldier is found physically unfit, the administrative separation action will be resumed. If the Soldier is found physically fit, the administrative separation action will be abated.

(3) When authorized by the State Adjutant General, or the officials cited in paragraphs (1) or (2), above, unit commanders may order discharge in accordance with paragraph 5–3, of this regulation, for immediate reenlistment under the provisions of AR 140–111 or National Guard Regulation (NGR) NGR 600–200, as appropriate.
(4) Commander, ROTC Cadet Command, for cadets enrolled in the Senior ROTC and assigned to control group (ROTC). Authority to separate cadets for purposes of appointment (para 5–5, of this regulation), or disenrollment from the ROTC program (para 5–6, of this regulation), may be delegated to professors of military science.

(5) Commander, U.S. Army Human Resources Command (AHRC–OPD–R); Commander, U.S. Army Aviation Center and Fort Rucker; and Commander, U.S. Army Reserve Readiness Training Center, are authorized to order the discharge of a warrant officer candidate concurrent with the candidate’s appointment as a warrant officer (para 5–5, of this regulation).

(6) Commanding General, U.S. Army Recruiting Command, for Soldiers in the Delayed Entry Program (DEP) (chap 15, sec II, of this regulation), the Reserve Delayed Entry Program, and the Delayed Training Program. Commanding General, U.S. Army Recruiting Command, may delegate to the commander of a U.S. Army recruiting battalion (RBN) separation authority for DEP, Reserve Delayed Entry Program, and Delayed Training Program. Soldiers under that commander’s jurisdiction. An RBN commander may also void enlistments (para 7–2c(2)(e), of this regulation) of Soldiers under the commander’s jurisdiction.

1–11. Authority to order separation of Soldiers having more than 18 but fewer than 20 years of qualifying service for retired pay

a. A Soldier having completed 18 but fewer than 20 years of qualifying service for retired pay (Title 10, Section 12732, United States Code (10 USC 12732)) will not be involuntarily separated without the approval of the Secretary of the Army or his designated representative. All recommendations for involuntary separation of Soldiers in this category will be sent to HQDA (para 1–12, below) for consideration.

b. Cases involving voluntary separation at the request of the Soldier need not be referred to HQDA for approval.

1–12. Referrals to Headquarters, Department of the Army

Cases requiring approval by HQDA, to include the Army Secretariat, will be referred to the following:

a. For Army National Guard of the United States Soldiers. Headquarters, Department of the Army, Office of the Chief, National Guard Bureau (NGB–ARP), 2500 Army Pentagon, Washington, DC 20310–2500.

1–13. Authority to convene administrative separation boards for non-unit Soldiers

When sufficient basis exists to initiate separation action pertaining to USAR Soldiers assigned under jurisdiction of the Commander, HRC (para 1–10b(1), above), the notification and administrative board procedures will apply. Where an investigation or appointment of an administrative separation board is required, the case may be referred for necessary action to an area commander in whose geographical area the member resides. The Commander, HRC may convene and conduct administrative separation boards and serve as the separation authority for nonunit Soldiers, including members of the IRR. The Commander, HRC will serve as the initiating authority for separation actions of IRR Soldiers and may delegate this authority, in writing, to a division chief in the grade of colonel or the civilian equivalent. The Commander, HRC may convene and conduct administrative separation boards and serve as the separation authority for nonunit Soldiers, including members of the IRR. The Commandant, Headquarters, HRC will serve as the initiating authority for separation actions of IRR Soldiers.

a. Cases referred to area commanders by the Commander, HRC will include, to the extent possible, the following: correspondence, statements, Army Military Human Resources Record (AMHRR), and similar related documents. Area commanders may further delegate cases in accordance with paragraph 1–10b(2), above.

b. Where a criminal investigation is required in accordance with AR 195–2, the Commander, HRC will request the appropriate area commander to contact a military law enforcement agency to perform the investigation. On completion of the investigation, the area commander will initiate further action, as required.

c. Except for cases where final action is restricted to HQDA, or cases of Soldiers under the jurisdiction of the Commander, HRC. Area commanders are authorized to take final action on board recommendations.

d. On completion of the separation board, area commanders will forward the original of the board proceedings with approved disposition to the Commander, HRC who will accomplish separation action, as appropriate, and file the board proceedings in the enlisted Soldier’s AMHRR.

1–14. Actions required of commanders having separation authority regarding Soldiers’ incentives and entitlements

Incentives and entitlements for Reserve membership and participation are prescribed by AR 135–7. Under certain conditions, separation will terminate payment of an incentive and entitlement to a Soldier and may also result in a collection of overpayment or recoupment action from the Soldier. In all cases of voluntary or involuntary separations, commanders will—

a. Determine a Soldier’s entitlements, if any, in accordance with AR 135–7.
Section III
Instruction in Benefits of an Honorable Characterization of Service on Discharge

1–15. Purpose of instruction
   a. The rate of enlisted Soldiers receiving other than an honorable characterization of service on discharge is a
      concern of commanders at all levels. Receiving other than an honorable characterization of service can have a lasting
      adverse effect on the individual Soldier. Every effort must be made to ensure that Soldiers are aware of such
      consequences. This section prescribes a program of instruction concerning the benefits derived from receiving an
      honorable characterization of service on discharge from the Army.
   b. This training should assist commanders in their efforts to minimize misconduct. Many Soldiers gain the false
      impression that an unfavorable characterization of service can be easily re-characterized by petitioning the Army
      Discharge Review Board. Many Soldiers can be discouraged from the type of conduct that warrants an unfavorable
      characterization of service on discharge.

1–16. Presentation of instruction
   Commanders will ensure that this instruction is presented in a manner that will create the most lasting impression on
   each Soldier who receives the training.

1–17. Contents of instruction
   The instruction will include a comprehensive explanation of the following:
   a. Characterization of service (chap 2, sec III, of this regulation).
   b. The types of discharge certificates (chap 2, sec IV, of this regulation).
   c. The possible effects of the various certificates on reenlistment, civilian employment, veterans’ employment,
      veterans’ benefits, and related matters.
   d. The unlikelihood that the Soldier will be successful in any attempt to have the character of his or her service
      changed.

1–18. Applicability and time of instruction
   The instructions cannot be offered to Soldiers assigned to the IRR, Standby, or Retired Reserve. It also is not feasible
   to offer the instructions to a Soldier serving as an IMA in a non-drilling status. However, the instruction will be
   presented to enlisted Soldiers assigned to Selected Reserve units of the ARNGUS and the USAR and to drilling IMA
   Soldiers. It will be given—
   a. On initial assignment to the IMA duty position or Selected Reserve unit or within 3 months thereafter.
   b. During the annual orientation of the Soldier’s service obligations and participation requirements in accordance
      with AR 135–91, paragraph 4–4.
   c. When a Soldier’s conduct or performance warrants counseling in accordance with paragraph 2–4, of this
      regulation.

1–19. Recording
   The DA Form 2–1 (Personal Qualification Record) of each Soldier receiving instructions in the benefits of receiving an
   honorable characterization of service on discharge during the annual orientation (para 1–18b, above) will be annotated
   in item 19 (Specialized Training) as follows: “Bfts of Hon Disch (date).”

Section IV
Bars to Reenlistment

1–20. General
   As set forth in paragraph 1–21, below, commanders will initiate discharge proceedings against Soldiers who have
   received a local bar to reenlistment in accordance with AR 140–111, chapter 1, or NGR 600–200, chapter 7. Discharge
   action is not based on the imposition of a bar to reenlistment, but rather on the conduct which forms the basis(es) for
   the bar.

1–21. Discharge initiation and processing
   a. If the unit commander does not recommend that the bar be removed at the time of the second 6-month review of
      a locally imposed bar to reenlistment, he or she will process the Soldier for discharge in accordance with chapter 9,
      chapter 12, or another appropriate chapter of this regulation.
   b. “Processed for discharge” means that discharge action will be initiated and processed through the chain of
      command to the separation authority for appropriate action. There must be compliance with paragraph 2–4, of this
regulation. The immediate and intermediate commanders will recommend discharge or retention and the characteriza-
tion of service to be awarded (chap 2, sec III, of this regulation).

Section V
Mobilization Asset Transfer Program

1–22. Policy

a. The purpose of the Mobilization Asset Transfer Program (MATP) is to ensure sufficient trained manpower is
available in the IRR of the USAR to meet the Army’s personnel requirements under conditions of full mobilization (10
USC 12301(a)). To retain mobilization assets, eligible and qualified Soldiers who have a remaining statutory or
contractual MSO (para 4–2, of this regulation) are in, or transferred or reassigned, to the IRR to complete their
statutory or contractual MSO, whichever expires later. Soldiers who are not retained, transferred, or reassigned to
the IRR under the separation procedures prescribed by this regulation will be discharged from the military service.

b. This section and the MATP applies only to ARNGUS and USAR Soldiers who are subject to separation
processing under this regulation or for the reasons in NGR 600–200 corresponding to the reasons listed below and who
meet the eligibility criteria listed in paragraph 1–23, below.

(1) Disenrollment from Senior Reserve Officers’ Training Corps (SROTC) or an ROTC Scholarship Program (para
5–6, of this regulation).
(2) ROTC cadet early release (para 5–7b, of this regulation).
(3) Pregnancy (para 6–3, of this regulation).
(4) Entry level performance and conduct (chap 8, of this regulation).
(5) Unsatisfactory participation (chap 13, of this regulation).
(6) Secretarial plenary authority (chap 14, of this regulation), as determined by HQDA.
(7) Failure to meet body composition standards (chap 16, of this regulation).

b. The provisions of this section are not applicable to Soldiers being processed for separation under this regulation
for reasons other than those shown paragraph b, above.

1–23. Eligibility for the Mobilization Asset Transfer Program

a. Army National Guard of the United States. State military authorities are required to follow the procedures of
NGR 600–200 in processing ARNGUS Soldiers for discharge from the ARNGUS prior to expiration of their terms of
service. ARNGUS Soldiers who are discharged from the ARNG in accordance with NGR 600–200 become members
of the IRR unless they are concurrently discharged from the ARNGUS and the Reserve of the Army under the
procedures set forth in this regulation. An ARNGUS Soldier, upon separation from the ARNGUS for any of the
reasons cited in paragraph 1–22b, above, is eligible for transfer to the IRR as a Reserve if he or she meets all of the
following conditions:

(1) The separation authority has determined the Soldier possesses the potential for useful service if ordered to AD
under conditions of full mobilization.
(2) The Soldier has completed initial entry training (IET) and has been awarded a military occupational specialty
(MOS).
(3) The Soldier has three or more months remaining on his or her statutory or contractual Reserve obligation.
(4) On separation from the ARNGUS, the Soldier’s service will be characterized as honorable or under honorable
conditions, or the service is described as uncharacterized.

b. U.S. Army Reserve.

(1) A Soldier assigned to the Selected Reserve (TPU or IMA) who is—

(a) Subject to separation proceedings for any of the reasons cited in paragraph 1–22b, above, except for entry level
performance and conduct (para 1–22b4, above), and who meets all of the conditions listed in paragraph (3), below,
will not be processed for separation under this regulation. The Soldier will be processed for reassignment to the IRR in
accordance with AR 140–10; or

(b) Processed for separation under this regulation for entry level performance and conduct (para 1–22b4, above). The
Soldier is eligible for transfer to the IRR if he or she meets all of the conditions listed in (3), below.

(2) A Soldier assigned to the IRR or Standby Reserve (active list) who is subject to separation proceedings for any
of the reasons cited in paragraph 1–22b, above, and who meets all of the conditions listed in (3), below, will be
retained in the IRR or Standby Reserve (active list).

(3) All of the following conditions must be met:

(a) The separation authority has determined the Soldier possesses the potential for useful service if ordered to AD
under conditions of full mobilization.
(b) The Soldier has completed IET and has been awarded an MOS.
(c) The Soldier has three or more months remaining on his or her statutory or contractual Reserve obligation.
The Soldier’s service will be characterized as honorable or under honorable conditions, or the service will be uncharacterized if appropriate (see para 1–26, below).

1–24. Ineligible for the Mobilization Asset Transfer Program
A Soldier is ineligible for retention in or transfer/reassignment to the IRR or Standby Reserve (active list) and will be separated from military service if he or she meets any of the following criteria:

a. Has not completed IET or has not been awarded an MOS.
b. Has fewer than three months remaining on a statutory or contractual service obligation.
c. Is administratively separated with service characterized as under other than honorable conditions, or is released from custody and control of the Army, or is dropped from the rolls.
d. Is processed for separation for any other reason than those cited in paragraph 1–22b, above.
e. Has been determined, by the separation authority, to possess no potential for useful service under conditions of full mobilization.

1–25. Separation authority determination of mobilization potential

a. Except in cases where the Soldier has no remaining statutory or contractual service obligation, or where discharge is required by paragraph 1–24, above, the separation authority must determine whether or not the Soldier possesses the potential to perform useful service if ordered to AD to meet mobilization requirements. The decision to order discharge, transfer, reassignment, or retention, rests with the separation authority and cannot be delegated, although the recommendations of subordinate commanders (paras 3–7 and 3–8, of this regulation) may be considered. The separation authority’s determination will be made on a case-by-case basis and included in the decision document.

b. The separation authority must exercise sound judgement and prudent discretion in the decision process. The key consideration is the need to retain trained Soldiers in the IRR for mobilization purposes. In making a decision regarding potential for future useful service, the separation authority, must give due consideration to all pertinent factors, including the positive motivation that a full mobilization may have on the Soldier, and the probable maturing effect of the passage of time, especially in the case of young Soldiers. The reason for separation is not in itself a basis for determining that a Soldier has no potential for useful service in the future. In the final analysis, the separation authority will direct discharge, in lieu of retention in, or transfer/reassignment to, the IRR or Standby Reserve (active list), only when the circumstances of the individual case clearly indicate the Soldier has no potential for useful service under conditions of full mobilization.

1–26. Requirements on retention, transfer, or reassignment to the individual ready reserve

a. The service of a Soldier retained in the IRR or Standby Reserve (active list) under the provisions of the MATP will not be characterized.

b. The service of a Soldier reassigned to the IRR for a reason cited in paragraph 1–22b, above, under the provisions of AR 140–10 will not be characterized.

c. The service of a Soldier transferred to the IRR for a reason cited in paragraph 1–22b, above, will be characterized as honorable or under honorable conditions in accordance with paragraph 2–9, of this regulation, unless an uncharacterized description of service is required by paragraph 2–11a, of this regulation.

d. On transfer to the IRR, a Soldier will be notified of the following:

(1) The date on which the MSO will expire and the Soldier will be discharged.
(2) The character of service on transfer to the IRR.
(3) That the character of service on completion of the MSO and discharge from the USAR will be the same. If, on transfer to the IRR the Soldier’s service was characterized as under honorable conditions, or uncharacterized, the Soldier must perform a period of service that is characterized as honorable to receive an honorable discharge on completion of the MSO.
(4) The date by which the Soldier must submit evidence of satisfactory completion of service characterized as honorable. If the Soldier—

(a) Submits evidence of completion of service characterized as honorable, the Soldier’s service will be characterized as honorable on discharge.
(b) Submits evidence of completion of service characterized as honorable, but if a discharge other than an honorable is proposed, the notification procedure (chap 3, sec II, of this regulation) will be used. An administrative board is not required at this point regardless of the Soldier’s years of service.
(c) Does not submit such information on or before the date specified in the notice, no further proceedings are required. The character of service at the completion of the MSO will be the same as the character of service issued when transferred to the IRR.

Chapter 2
Guidelines on Separation and Characterization

Section I
Separation

2–1. Scope
This chapter provides general guidance, which applies when referenced under the reasons for separation in this regulation. Further guidance is set forth under the specific reasons for separation in chapters 4 through 16, of this regulation.

2–2. Guidance

a. There is a substantial investment in the training of Soldiers enlisted in the Army. As a general matter, reasonable efforts at rehabilitation should be made prior to initiation of separation proceedings.

b. Unless separation is mandatory, the potential for rehabilitation and further useful military service, will be considered by the separation authority, and where applicable, the administrative separation board. If separation is warranted despite the potential for rehabilitation, consideration should be given to suspension of the separation, if authorized.

c. Counseling and rehabilitative efforts are a prerequisite to initiation of separation proceedings only insofar as expressly set forth under the specific requirements for the separation. An alleged or established inadequacy in previous rehabilitation efforts does not bar separation.

d. The following factors may be considered on the issue of retention or separation, depending on the circumstances of the case:

(1) The seriousness of the circumstances forming the basis for initiation of separation proceedings, and the effect of the Soldier’s continued retention on military discipline, good order, and morale.

(2) The likelihood of continuation or recurrence of the circumstances forming the basis for initiation of separation proceedings.

(3) The likelihood that the Soldier will be a disruptive or undesirable influence in present or future duty assignments.

(4) The ability of the Soldier to perform duties effectively in the present and in the future, including potential for advancement or leadership.

(5) The Soldier’s rehabilitative potential.

(6) The Soldier’s entire military record. This includes—

(a) Past contributions to the Army, assignments, awards and decorations, evaluation ratings, and letters of commendation.

(b) Memorandum of reprimand or admonition, counseling records, records of nonjudicial punishment, records of conviction by court-martial and records of involvement with civilian authorities.

(c) Any other matter deemed relevant by the board or the separation authority. This may include specialized training, duties, and experience of persons entrusted by this regulation with making recommendations or decisions on separation or retention.

(d) Adverse information from a prior enlistment or period of military service only when such information would have a direct and strong probative value in determining whether separation is appropriate. This would include records of nonjudicial punishment and convictions by court-martial. Such information ordinarily will be used only in those cases involving conduct repeated over an extended time or in cases resulting from a bar to reenlistment. In unusual situations, conduct from a prior enlistment that does not constitute a pattern of conduct that is manifested over an extended period of time, may be considered in determining whether retention or separation is warranted. An example is where a single incident of misconduct occurring in the prior period of service, by itself, warrants separation and the officials in the Soldier’s chain of command neither knew, nor reasonably should have known, of the conduct at the time the Soldier reenlisted.

(e) Isolated incidents and events that are remote in time normally have little probative value in determining whether administrative separation should be effected.

(f) Criminal history information from personnel security investigative reports requested within the first 90 days of a Soldier’s initial enlistment may be used to support separation proceedings initiated under chapter 7, of this regulation (Fraudulent Enlistment and Fraudulent Entry). Use of personnel security investigative reports in connection with all other separation proceedings is prohibited unless specific authorization is granted in accordance with AR 380–67, paragraph 10–100. Requests for such authorization may be submitted case by case through command channels to
2–3. Limitations on separation actions
   a. A Soldier may not be separated on the basis of the following:
      (1) Conduct that has been the subject of judicial proceedings resulting in an acquittal or action having the effect
          thereof, except in the circumstances described in (a) through (c), below. Only HQDA will determine that an action
          does not have the effect of an acquittal. Requests for such a determination must be submitted to HQDA, ARNGUS,
          NGR–ARP/OCAR, DAAR (para 1–12, of this regulation).
          (a) When such action is based on a judicial determination not going to the guilt or innocence of the respondent; or
          (b) When the judicial proceeding was conducted in a State or foreign court and the separation is approved by
              HQDA, ARNGUS, NGR–ARP/OCAR, DAAR (para 1–12, of this regulation); or
          (c) When acquittal from the judicial proceedings was based on a finding of not guilty only by reason of lack of
              mental responsibility. A Soldier in this category normally shall be separated under Secretarial plenary authority (chap
              14, of this regulation) unless separation for disability is appropriate.
      (2) Conduct that has been the subject of a prior administrative separation board in which the board entered an
          approved finding that the evidence did not sustain the factual allegations concerning the conduct except when the
          conduct is the subject of a rehearing ordered on the basis of fraud or collusion; or
      (3) Conduct that has been the subject of an administrative separation proceeding resulting in a final determination of
          a separation authority that the member should be retained, except in the following circumstances:
          (a) When there is subsequent conduct or performance forming the basis, in whole or in part, for a new proceeding; or
          (b) When there is new or newly discovered evidence that was not reasonably available at the time of the prior
              proceeding; or
          (c) When the conduct is the subject of a rehearing ordered on the basis of fraud or collusion.
   b. No convening authority will direct separation if a board recommends retention, nor will a characterization of
      service less favorable than that recommended by the board be directed. However, a convening authority may direct
      retention when separation is recommended or may direct a characterization of service more favorable than that
      recommended (para 3–18f, of this regulation).

2–4. Counseling and rehabilitation
   a. General. Commanders must make reasonable efforts to identify Soldiers who are likely candidates for early
      separation and to improve their chances for retention through counseling, retraining, and rehabilitation before starting
      separation action. These actions are prerequisite for initiating action to separate a Soldier for one of the following
      reasons:
      (1) Involuntary separation due to parenthood (para 6–5, of this regulation).
      (2) Other designated physical or mental conditions (para 6–7, of this regulation).
      (3) Entry level performance and conduct (chap 8, of this regulation).
      (4) Unsatisfactory performance (chap 9, of this regulation).
      (5) Minor disciplinary infractions or a pattern of misconduct (paras 12–1a and b, of this regulation).
      (6) Failure to meet Army body composition standards (chap 16, of this regulation).
   b. Counseling. When a Soldier’s conduct or performance approaches the point where a continuation of such conduct
      or performance would warrant initiating separation action for one of the reasons in paragraph a, above, the Soldier will
      be counseled by a responsible person about his or her deficiencies at least once before initiating separation action.
      Additional formal counseling is discretionary; however, the Soldier’s counseling or personnel records must establish
      that the Soldier was afforded a reasonable opportunity to overcome these deficiencies. Such factors as the length of
      time that has elapsed since the prior counseling, the Soldier’s conduct and performance during that period, and the
      commander’s assessment of the Soldier’s potential for becoming a fully satisfactory Soldier, should be considered.
      (1) Counseling will include, but not be limited to, the following:
          (a) Reasons for counseling.
          (b) The fact that continued behavior of a similar nature or additional misconduct may result in the Soldier’s
              separation.
          (c) The characterization of service that may be issued and the effect of each type if such action is taken and
              separation accomplished.
      (2) Each counseling session will be recorded in writing (to include date and by whom counseled). When, after
          reasonable effort, the Soldier cannot be located for counseling in person, the counseling information will be furnished
          to him or her by certified mail, return receipt requested, addressed to the latest mailing address provided to the
command by the Soldier. If the Soldier does not respond by the date specified in the memorandum, or the memo-
andum is returned as “undeliverable as addressed,” “moved—left no forwarding address,” or similar marking, the
counseling requirement will be considered to have been satisfied.

c. Rehabilitation. If practical, one of the following measures will be taken:

1. Soldiers assigned to the ARNGUS or USAR TPUs will be reassigned at least once if within commuting distance,
with a minimum of 2 months in each ARNGUS unit or USAR TPU.

2. If case reassignment is restricted (for example, small, independent, or isolated unit), or the Soldier is assigned to
the IRR or Standby Reserve, the commander will ensure that proper alternate rehabilitation measures are employed, if
feasible.

d. Waivers. The officer exercising separation authority may waive the requirement for a rehabilitative reassignment.
The exercise of waiver authority may be withheld by a higher separation authority as to a particular case or class of
cases. Action to withhold waiver authority will be in writing and will be valid until revoked in writing. The
requirement for a rehabilitative reassignment may be waived when it is determined that—

1. Reassignment is not feasible because there are no appropriate units within a reasonable commuting distance of
the Soldier’s residence; or

2. Further duty of the Soldier would create serious disciplinary problems, or create a hazard to the military mission
or to the Soldier, or would seriously affect unit readiness; or

3. Further duty of the Soldier would be inappropriate because the Soldier is resisting all rehabilitation attempts or
that rehabilitation would not produce the quality Soldier desired by the ARNGUS and USAR.

Section II
Suspension of Separation

2–5. Suspension

a. In order to afford a highly deserving Soldier a probationary period to demonstrate successful rehabilitation prior
to expiration of the Soldier’s service obligation, the separation authority or a higher authority may suspend execution of
an approved separation for a period not to exceed 12 months. However:

1. Suspension of a discharge is not authorized in a case when the sole reason for separation is fraudulent entry; or

2. When there are approved reasons for separation in addition to fraudulent entry, suspension may be authorized
only when a waiver of the fraudulent entry is obtained, and the suspension pertains to reasons for separation other than
the fraudulent entry.

b. During the period of suspension, the Soldier will be afforded an opportunity to demonstrate the capability of
behaving properly and performing assigned duties efficiently under varying conditions.

c. On satisfactory completion of the probationary period, or earlier, if rehabilitation has been achieved, or at the end
of the Soldier’s period of obligated service, the authority that suspended the separation will remit execution of the
approved separation.

2–6. Action during the period of suspension

During the period of suspension, if the Soldier engages in conduct similar to that for which separation was approved,
but suspended, or otherwise fails to meet the appropriate standards of conduct and duty performance, the commander
concerned, the convening authority, or the separation authority, whichever is appropriate, will take one of the following
actions:

a. Initiate punitive or new administrative action notwithstanding the suspension of the execution of the approved
separation, or

b. Advise the Soldier, in writing, that vacation action is being considered and the reasons which warrant such
consideration. The Soldier will be given an opportunity to consult with counsel and to submit a statement, in writing, to
the separation authority. Failure to respond within 20 calendar days from receipt of the notification of the proposed
vacation of the suspension shall constitute a waiver of this right. If the Soldier identifies specific legal issues for
consideration by the separation authority, the information will be reviewed by a judge advocate, and the separation
authority will—

1. Vacate suspension of approved separation and execute separation; or

2. Continue to suspend execution of the approved separation.

Section III
Characterization or Description of Service on Separation

2–7. Types of characterization or description

a. At separation, the following types of characterization of service or description of separation are authorized under
this regulation:
(1) Separation with characterization of service as honorable, general (under honorable conditions), or under other than honorable conditions.

(2) Separation with an uncharacterized description of service when separated—
   (a) In an entry level status; or
   (b) By order of release from custody and control of the Army by reason of void enlistment; or
   (c) By being dropped from the rolls of the Army.

b. Any of the types of characterization or description of service listed in paragraph a, above, may be used in appropriate circumstances unless a limitation is set forth in this section or in chapters 4 through 16, of this regulation.

c. Characterization of service as a result of administrative action is governed by this regulation and the service of Soldiers is either characterized or uncharacterized when they are separated from the ARNGUS or USAR. However, discharge certificates are issued only to those Soldiers whose service is characterized as honorable in accordance with paragraph 2–19, of this regulation.

2–8. General considerations
   a. The characterization of service upon separation is of great significance to the Soldier. It must accurately reflect the nature of service performed. Eligibility for veterans’ benefits provided by law, eligibility for reentry into the military service, and acceptability for employment in the civilian community may be affected by the service characterization. The type of discharge and character of service will be determined solely by the military record during the current enlistment or period of service, plus any extension thereof, from which the Soldier is being separated. The Soldier’s performance of duty and conduct must be accurately evaluated. The evaluation must be based on the overall period of service and not on any isolated actions or entries on DA Form 2–1. Separations where the service has been characterized as honorable or under honorable conditions entitle a Soldier to Federal rights and benefits as provided by law. However, separation characterized as under other than honorable conditions could deprive the Soldier of veterans benefits administered by the Department of Veterans Affairs (DVA). A determination by that agency is required in each case.

   b. Characterization at separation will be based upon the quality of the Soldier’s service, including the reason for separation and guidance set forth in paragraph 2–9, of this regulation, subject to the limitations under the various reasons for separations. The quality of service will be determined in accordance with standards of acceptable personal conduct and performance of duty for military personnel as found in the UCMJ, Army regulations, and the time-honored customs and traditions of the Army.

   c. The quality of service of a Reserve Soldier in an active status is affected adversely by conduct that is of a nature to bring discredit on the Army or is prejudicial to good order and discipline, regardless of whether the conduct is subject to UCMJ jurisdiction. Characterization may be based upon conduct in the civilian community, and the burden is on the Soldier to demonstrate that such conduct did not adversely affect his or her service.

   d. The reasons for separation, including the specific circumstances that form the basis for the separation, shall be considered on the issue of characterization. As a general matter, characterization will be based on a pattern of behavior rather than an isolated incident. There are circumstances, however, in which the conduct or performance of duty reflected by a single incident, provides the basis for characterization.

   e. Due consideration will be given to the Soldier’s age, length of service, grade, aptitude, physical and mental condition, and the standards of acceptable conduct and performance of duty.

2–9. Characterization of service

The following are characterizations of service authorized by this regulation:

   a. Honorable. An honorable characterization is appropriate when the quality of the Soldier’s service generally has met the standards of acceptable conduct and performance of duty for Army personnel, or is otherwise so meritorious that any other characterization would be clearly inappropriate.

      (1) An honorable characterization may only be awarded a Soldier upon completion of his or her service obligation, or where required under specific reasons for separation, unless an uncharacterized description is warranted.

      (2) When a Soldier is discharged before expiration of the service obligation for a reason for which an honorable characterization is discretionary, the following considerations apply:

         (a) Where there have been infractions of discipline, the extent thereof should be considered, as well as the seriousness of the offense(s).

         (b) A Soldier will not necessarily be denied an honorable characterization solely by reason of a specific number of convictions by court-martial or actions under the UCMJ, ART. 15.

         (c) Conviction by a general court-martial or by more than one special court-martial does not automatically rule out the possibility of awarding an honorable characterization of service.

         (d) An honorable characterization may be awarded when disqualifying entries in the Soldier’s military record are outweighed by subsequent honorable and faithful service over a greater period of time during the current term of service.
(e) It is a pattern of behavior and not an isolated instance which should be considered the governing factor in determining the character of service.

(f) Unless otherwise ineligible, a Soldier may receive an honorable characterization of service if he or she has, during his or her current enlistment, or any extension thereof, received a personal decoration.

b. General (under honorable conditions). If a Soldier’s service has been honest and faithful, it is appropriate to characterize that service as under honorable conditions. Characterization of service as general (under honorable conditions) is warranted when significant negative aspects of the Soldier’s conduct or performance of duty outweigh positive aspects of the Soldier’s military record.

(1) When authorized, a characterization of under honorable conditions is awarded to a Soldier whose military record is satisfactory but not sufficiently meritorious to warrant an honorable discharge.

(2) A characterization of under honorable conditions may be issued only when the reason for the Soldier’s separation specifically allows such characterization. It will not be issued to Soldiers upon separation for expiration of their service obligation.

c. Under other than honorable conditions. Service may be characterized as under other than honorable conditions only when discharge is for misconduct, fraudulent entry, unsatisfactory participation, or security reasons, and under the following circumstances:

(1) When the reason for discharge is based upon a pattern of behavior, or one or more acts or omissions, that constitutes a significant departure from the conduct expected of Soldiers. Examples of factors that may be considered include the following:

(a) Use of force or violence to produce serious bodily injury or death.

(b) Abuse of a position of trust.

(c) Disregard by a superior of customary superior-subordinate relationships.

(d) Acts or omissions that endanger the security of the United States or the health and welfare of other Soldiers.

(e) Deliberate acts or omissions that seriously endanger the health and safety of other persons.

(2) A discharge where service is characterized as under other than honorable conditions will be directed only by a general officer in command who has a judge advocate or legal advisor available to the command, or a higher authority in accordance with paragraphs 1–10a and b(1) and (2), of this regulation.

(3) No Soldier will be discharged in accordance with this regulation, with service characterized as under other than honorable conditions, unless he or she is afforded the right to present his or her case before an administrative separation board. The Soldier will be afforded the advice and assistance of counsel. Such discharge must be supported by approved board findings, and an approved board recommendation for discharge under other than honorable conditions.

(4) As an exception to paragraph (3), above, a discharge with service characterized as under other than honorable conditions may be issued without board action if the Soldier waives their right to board action.

(5) When a Soldier is to be discharged under other than honorable conditions, the separation authority will direct an immediate reduction to private E–1, in accordance with AR 600–8–19, chapter 10.

2–10. Limitation on characterization of service

Characterization will be determined solely by the Soldier’s military record, which includes the Soldier’s behavior and performance of duty during the current enlistment or period of service to which the separation pertains, plus any extensions of service prescribed by law or regulation or effected with the consent of the Soldier. The exceptions are provided in this paragraph. In determining characterization or description of service, the following will be used as guidelines:

a. A Soldier will receive an honorable characterization of service if limited use evidence (AR 600–85) is initially introduced by the Government in the separation proceedings, and the separation is based on those proceedings. (See f, below, and para 3–17f, of this regulation.) The separation authority will consult with the servicing Judge Advocate in cases involving limited use evidence.

b. The following will not be considered in determining the character of service:

(1) Pre-service activities, except in proceedings for fraudulent entry (chap 7, of this regulation) when misrepresentations, including omissions of facts which, if known, would have prevented, postponed, or otherwise affected the Soldier’s eligibility for enlistment.

(2) Prior service activities including but not limited to records of conviction by courts-martial, records of non-judicial punishment, records of absence without leave, or commission of other offenses for which punishment was not imposed. To the extent that such matters are considered on the issue of retention or separation, the record of proceedings will reflect express direction that such information will not be considered on the issue of characterization. As an exception, personal decorations received during prior service may be considered in characterizing the current period of service.

c. The limitations in paragraph 2–3, above, as to matters that may be considered on the issue of separation are applicable to matters that may be considered on the issue of characterization.
d. When the sole basis for separation is a serious offense that resulted in a conviction by a court-martial authorized to but not imposing a punitive discharge, the Soldier’s service may not be characterized under other than honorable conditions unless such characterization is approved by HQDA, ARNGUS, NGR–ARP/OCAR, DAAR. Requests for approval will be sent to the HQDA, ARNGUS, NGR–ARP/OCAR, DAAR addresses shown in paragraph 1–12, of this regulation.

e. The conduct of a Soldier in the civilian community may form the basis for characterization under other than honorable conditions only if such conduct directly affects the performance of military duties. Such conduct may form the basis of characterization under honorable conditions only if such conduct has an adverse impact on the overall effectiveness of the Army, including military morale and efficiency.

f. A Soldier’s voluntary submission to a treatment and rehabilitation program (for personal use of drugs) and evidence provided voluntarily by the Soldier concerning personal use of drugs as part of initial entry into such a program may not be used against the Soldier on the issue of characterization. This limitation does not preclude the following actions:

(1) The introduction of evidence for impeachment or rebuttal purposes in any proceeding in which the evidence of drug abuse (or lack thereof) has been first introduced by the Soldier; and

(2) Taking action based on independently derived evidence, including evidence of drug abuse after initial entry into the treatment and rehabilitation program.

g. The results of mandatory urinalysis may be used on the issue of characterization unless prohibited by AR 600–85.

2–11. Separation where service is uncharacterized

a. Entry level status. Service will be described as uncharacterized if separation processing is initiated while a Soldier is in an entry level status (see glossary), except in the following circumstances:

(1) When characterization under other than honorable conditions is authorized under the reason for separation and is warranted by the circumstances of the case; or

(2) The Secretary of the Army, or the Secretary’s designated representative, on a case-by-case basis, determines that characterization of service as honorable is clearly warranted by the presence of unusual circumstances involving personal conduct and performance of military duty. This characterization is authorized when the Soldier is separated—

(a) By reason of selected changes in service (chap 5, of this regulation); or

(b) For the convenience of the Government (chap 6, of this regulation); or

(c) Under the Secretarial plenary authority (chap 14, of this regulation).

b. Void enlistments. A Soldier will not receive a discharge, characterization of service at separation, or an uncharacterized description of service, if the enlistment is void except when a constructive enlistment arises and such action is required under (3), below. If characterization or an uncharacterized description of service is not required, the separation will be described as an order of release from custody and control of the Army.

(1) An enlistment is void in the following circumstances:

(a) If it was effected without the voluntary consent of a person who has the capacity to understand the significance of enlisting in the Army. This includes enlistment of a person who is intoxicated or insane at the time of enlistment.

(b) If the person is under 17 years of age.

(c) If the person is a deserter from another military service.

(2) Although an enlistment may be void at its inception, a constructive enlistment will arise in the case of a person serving in the Army who—

(a) Submitted voluntarily to military authority.

(b) Met the mental competency and minimum age statutory qualifications, at the time of voluntary submission to military authority.

(c) Received military pay or allowances.

(d) Performed military duties.

(3) If an enlistment that is void at its inception is followed by a constructive enlistment within the same term of service, characterization of service or description of separation will be in accordance with paragraphs 2–8 and 2–9, above, as appropriate. However, if the enlistment was void by reason of desertion from another military service, the Soldier will be separated by an order of release from the custody and control of the Army regardless of any subsequent constructive enlistment. A constructive enlistment does not preclude the Army from either retaining the Soldier or separating the member based on the circumstances that occasioned the original void enlistment or any other reason for separation.

c. Dropped from the rolls. A Soldier may be dropped from the rolls of the Army when such action is authorized in accordance with chapter 15, section III, of this regulation and a characterization of service or other description of separation is not authorized or warranted.
Section IV
Discharge Policy

2–12. Separation counseling for Soldiers being discharged
The purpose and authority of the Army Discharge Review Board (AR 15–180) and the Army Board for Correction of Military Records (AR 15–185) will be explained during separation processing, except when the separation is for immediate reenlistment. Counseling will include advice that a discharge under other than honorable conditions is a conditional bar to benefits administered by the DVA, notwithstanding any action by a Discharge Review Board. Such explanation may be furnished the Soldier in written form. Failure on the part of the Soldier to receive or understand this counseling does not create a bar to separation or characterization.

2–13. Orders
a. The following order formats prescribed by AR 600–8–105 will be used for separations processed under this regulation:
   (1) Order Format 500 where discharge is directed in accordance with this regulation, to include expiration of the service obligation and immediate reenlistment.
   (2) Order Format 502 where ROTC cadets are discharged to accept a commission.
   (3) Order Format 505 where a Soldier is released from the custody and control of the Army.
   (4) Order Format 540 where a Soldier is dropped from the rolls.
   b. Once a Soldier receives his or her orders, by actual or constructive delivery, such orders may not be revoked except in one or more the following circumstances:
      (1) The orders are revoked by proper authority, either orally or in writing, prior to the effective date of the discharge. Orally revoked orders should be documented in writing within 30 days of the revocation.
      (2) When one or more of the exceptions to the doctrine of administrative finality exist (that is, fraud; mistake of law; mathematical miscalculation; and/or substantial new evidence discovered contemporaneously within a short time following the action).
   c. After the effective date of discharge, orders may be amended by the separation authority only to correct administrative errors, such as errors concerning grade, social security number, or misspelled name.

2–14. Discharge before expiration of the service obligation
a. A discharge for the purpose of complete separation from military service terminates a Soldier’s statutory and contractual MSO on the effective date of the discharge.
   b. An enlisted ARNGUS Soldier who is discharged from the ARNG and not concurrently discharged as a Reserve of the Army automatically becomes a member of the USAR.
   c. A discharge issued only for the purpose of a change in status with continuing military service does not terminate a statutory MSO. Some examples of such changes in status are:
      (1) Discharge from enlisted status on appointment as an officer.
      (2) Discharge from a reserve component on enlistment in a regular component.
      (3) Discharge on transfer between reserve components.
      (4) Discharge for the purpose of reenlistment in the same component.

2–15. Discharge after expiration of the service obligation
a. A Soldier is entitled to be discharged on the expiration of his or her service obligation, and normally will be discharged unless action is taken to retain the Soldier beyond such expiration date.
   b. Retention beyond the expiration date of a service obligation may be either voluntary or involuntary.
      (1) Soldiers may voluntarily remain beyond the expiration date of a service obligation if they are undergoing required health care or are being processed for physical disability separation. They may also consent to remain beyond the expiration date if they are subject to criminal jurisdiction of a foreign court but not physically confined by that country.
      (2) Soldiers may be involuntarily retained beyond expiration of their service obligation only when action with a view toward trial by court-martial has been taken by the appropriate authorities. Such action must have been initiated before the Soldier’s service obligation expired.
      c. Soldiers properly held beyond expiration of their service obligation, whether voluntarily or involuntarily, retain their military status and continue to be subject to the UCMJ until formally discharged by the appropriate authorities.
      d. Soldiers otherwise eligible for discharge on expiration of their service obligation will not be retained to satisfy a debt to the United States Government or to an individual, or to process and complete an involuntary administrative separation action in accordance with this regulation. On the other hand, if the Army does not affirmatively act to discharge a Soldier and the Soldier does not demand discharge, but rather remains on duty and accepts pay and benefits, the military status of that Soldier continues.
2–16. Effective date of discharge
The effective date of discharge is 2400 hours on the date of notice of discharge (see para 2–17, below). When discharge is for change of military status, the effective date of the order will be the day prior to the date of the Soldier’s entry into a new military status. When discharge is under the provisions of para 15–1c, of this regulation, the effective date of the order will be the last day of the month during which maximum allowable age is reached.

2–17. Notification of discharge
Notice of discharge may be either—
   a. Actual, as by delivery to the Soldier of the discharge order or certificate; or
   b. Constructive, when actual delivery of the discharge order cannot be accomplished due to the absence of the Soldier to be discharged.

(1) If the Soldier is assigned to a Selected Reserve unit or duty position, receipt of the order directing his or her discharge by the Soldier’s organization, at the proper station of the organization, will be sufficient notice. The date of receipt of the order by the Soldier’s organization and the reason why actual notice was not given will be entered, by endorsement, on the back of the discharge order. A confirmed copy of the annotated discharge order will be sent by registered or certified mail to the Soldier at the most recent address provided by the Soldier for that purpose. The annotated order, reflecting the date of mailing to the Soldier, will be included in the personnel file forwarded to the Commander, U.S. Army Human Resources Command (AHRC–CIS–P), 1600 Spearhead Division Avenue, Fort Knox, KY 40122–5401.

(2) If the Soldier is assigned to the IRR, Standby, or Retired Reserve, the Commander, HRC (AHRC–PAR), will issue an annotated discharge order. The order will be annotated on the back, by endorsement, to show that the order was mailed to the Soldier at the most recent address furnished by the Soldier as an address for receipt or forwarding of official mail and the date the order was mailed. The annotated order will be sent by registered or certified mail. A copy of the annotated order, reflecting the date of mailing to the Soldier, will be placed in the Soldier’s AMHRR.

(3) If a mailed discharge order is returned as “unclaimed” or “undeliverable,” the returned order and its accompanying envelope will be retained in the Soldier’s file.

(4) The discharge order of a mentally incompetent Soldier will be delivered to the Soldier’s legal guardian.

2–18. Notification of discharge of a Soldier who cannot be located or is absent in the hands of civil authorities
When discharge has been ordered by the separation authority and the Soldier can not be located or is absent in the hands of civil authorities subsequent to the issuance of the discharge orders, the discharge may be executed regardless of absence. The notification procedure in paragraph 2–17, of this regulation, is applicable.

2–19. Certificates
   a. Discharge certificates will be furnished to Soldiers when they are honorably discharged. The discharge certificate is Department of Defense (DD) Form 256A (Honorable Discharge Certificate).
   b. Discharge certificates will not be issued under the following conditions:
      (1) Where service is characterized as under honorable conditions (General) or under other than honorable conditions.
      (2) Where the service is uncharacterized.
      (3) On discharge for immediate reenlistment.
      (4) On discharge from a cadet status on appointment as an officer or warrant officer.

2–20. Preparation of certificates
   a. Number of copies. Discharge certificates will be issued in the original only.
   b. How prepared. Entries on discharge certificates will be typewritten. Only black typewriter ribbon ink will be used.
   c. Entries. Entries on the discharge certificates will be as follows:
      (1) On the line provided under the words “This is to certify that,” enter the Soldier’s name in signature order, followed by his or her social security number and grade, and “USAR”. When discharge certificate is prepared by automated systems, the Soldier’s name may be entered in last name, first name, and middle initial sequence.
      (2) Enter effective date of discharge in space provided. This date must agree with the effective date of discharge shown in the discharge order.
      (3) Discharge certificates normally will be authenticated by a commissioned officer. However, the separation authority or other appropriate commander may delegate this authority to a warrant officer or noncommissioned officer in the rank/grade of sergeant first class and above or Department of the Army (DA) civilian in the grade of general schedule (GS)–7 and above. The designated official will sign the certificate in the space provided. Signature blocks will be in accordance with AR 25–50.
2–21. Amendments and corrections to certificates
The discharge certificate as originally prepared cannot be altered or amended after the effective date of discharge. Correction of cosmetic or typographical administrative errors will be made on written application of the individual to Commander, HRC. Applications for review of the type of discharge certificate awarded under this regulation will be submitted by the individual to the Commander, HRC (AHRC–PAV) on DD Form 293 (Application for Review of Discharge from the Armed Forces of the United States) for consideration by the Army Discharge Review Board (AR 15–180).

Application

3–1. Scope
The procedures in this chapter are applicable only when required under a specific reason for separation cited in this regulation. These actions are subject to the requirements set forth in the specific reason for separation.

3–2. Guidance
a. When initiating an administrative separation on any Soldier, for any reason (voluntary or involuntary), include documentation in the separation packet that positively identifies the Soldier as having been, or not having been, a victim of sexual assault.

(1) All separation cases initiated under the notification or administrative board procedure require the unit commander to indicate in the commanding officer’s report to the separation authority whether the Soldier was or was not a victim of sexual assault for which an unrestricted report was filed within the past 24 months prior to initiation of the separation action.

(2) All separation cases initiated under the notification or administrative board procedure require the Soldier to indicate on the election of rights form whether he or she was a victim of sexual assault and filed an unrestricted report of sexual assault within 24 months of initiation of the separation action. The Soldier must also state whether he or she does or does not believe that the separation action is a direct or indirect result of the sexual assault itself or of filing the unrestricted report.

b. When a Soldier is processed on the basis of multiple reasons for separation, the following guidelines apply to procedural requirements (including procedural limitations on characterization or description of service):

(1) The basis for each reason must be clearly established.

(2) If a reason for separation set forth in the notice of proposed action requires processing under the administrative board procedure, entire matter will be processed under section III, of this chapter.

(3) When there is any other clear conflict between a specific requirement applicable to one reason and a general requirement applicable to another reason, the specific requirement will be applied.

(4) If a conflict in procedures cannot be resolved on the basis of the foregoing principles, the procedure most favorable to the Soldier will be used.

c. When there is any other clear conflict between a specific requirement applicable to one reason and a general requirement applicable to another reason, the specific requirement will be applied.

d. If a conflict in procedures cannot be resolved on the basis of the foregoing principles, the procedure most favorable to the Soldier will be used.

3–3. Counsel for respondent
Counsel for consultation and counsel for representation for Soldiers being considered for separation under this regulation are described as follows:

a. Counsel for consultation.

(1) A reserve component or Regular Army officer of the Judge Advocate General’s Corps appointed by a convening authority to consult with and advise a Soldier being processed under this regulation at the outset of an involuntary separation proceedings. Such counsel must be qualified under Article 27(b)(1) of the UCMJ. Counseling may be accomplished in person, or through the use of mail, e-mail, fax, or telephone, as circumstances dictate. (Counsel for consultation will advise respondent using DA Form 7423 (Consulting Counsel’s Checklist) and make annotations as appropriate.

(2) A civilian counsel retained by the Soldier at no expense to the Government. Civilian counsel is not appointed by the convening authority.

b. Counsel for representation.
(1) A reserve component or Regular Army officer of the Judge Advocate General’s Corps appointed by the convening authority to provide representation during the course of any hearing before an administrative separation board under the provisions of this regulation. Representation by counsel will be in accordance with AR 15–6. Such counsel must be qualified under Article 27(b)(1) of the UCMJ.

(a) Reserve component judge advocates are appointed under the provisions of AR 27–3, chapter 2.
(b) Regular Army judge advocates are appointed under the provisions of AR 27–10, chapter 6.
(c) A respondent who declines representation by a qualified judge advocate officer is not entitled to appointment of a different counsel or counsel of choice.

(2) Civilian counsel not employed by the Government and at no expense to the Government.

(3) Non-lawyer counsel may represent a respondent before an administrative board only where:
(a) The respondent expressly declines appointment of counsel under Article 27(b)(1) of the UCMJ and requests a specific non-lawyer counsel; or,
(b) The separation authority assigns non-lawyer counsel as assistant counsel.

\[c. \text{Counsel for consultation and counsel for representation. These need not be the same individual.}\]

3–4. Screening and counseling of victims of sexual assault

\[a. \text{When initiating an administrative separation on any Soldier, for any reason covered by this regulation, commanders must ensure the separation packet contains a statement signed by the Soldier (fig 3–1), with the Soldier’s answers to the following questions:} \]

(1) Did you file an unrestricted report of a sexual assault in which you were a victim within the past 24 months?
(2) If the answer to (1), above is YES, do you believe that this separation action is a direct or indirect result of your sexual assault, or of filing the unrestricted report?

\[b. \text{When a Soldier is not available or fails to provide the statement required in a, above, commanders shall sign a statement explaining that while the Soldier was unavailable or refused to provide a victims of sexual assault statement, the Soldier’s personnel file contained no evidence that the Soldier was a victim of sexual assault.} \]

\[c. \text{The Special Court-Martial Convening Authority or GCMCA will review all administrative separations involving victims of sexual assault and Soldiers who answered YES to any of the questions listed in a above or in their signed statement. The reviewing authority will determine—} \]

(1) Does the separation appear to be in retaliation resulting from the Soldier filing an unrestricted sexual assault report? If so, consult with your local Staff Judge Advocate.
(2) Does the separation involve a medical condition that is related to the sexual assault? If so, consult with the appropriate medical command personnel.
(3) Is the separation in the best interest of the Army, the Soldier, or both? If not, consult with your local Staff Judge Advocate.
(4) The status of the case against the alleged offender, and the effect of the Soldier’s (victim’s) separation on the disposition or prosecution of the case. If the case is still open, consult the servicing Criminal Investigation Division unit and Staff Judge Advocate.

Section II
Separation Using the Notification Procedure

3–5. Notice under the notification procedure

\[a. \text{When the notification procedure is required under a reason for separation cited in this regulation, the commander will notify the Soldier, in writing, of the matter set forth in this section. (Use the memorandum format in fig 3–2, with the endorsement format in fig 3–3, for this purpose.)} \]

(1) The basis of the proposed separation, including the circumstances upon which the action is based, and a reference to the applicable provisions of this regulation.
(2) Whether the proposed separation could result in a discharge from the Army, transfer from the ARNGUS to the USAR, or release from custody or control of the Army.
(3) The least favorable characterization or description of service authorized for the proposed separation.
(4) The right to obtain copies of documents that will be sent to the separation authority supporting the basis of the proposed separation. Classified documents may be summarized. For separation under chapter 11 or chapter 12, of this regulation, based on a positive urinalysis, the Soldier will be provided, on request, a copy of the laboratory documents (as described in AR 600–85).
(5) The Soldier’s right to submit statements.
(6) The Soldier’s right to consult with counsel. The Soldier may also consult with civilian counsel retained at the Soldier’s own expense.
(7) If the Soldier has 6 or more years of total active and reserve military service on the date of initiation of
recommendation for separation, the Soldier’s right to request an administrative board (section III, below). (See para 3–6a, below.)

(8) The right to waive the rights in (4) through (7), above, in writing (fig 3–3), after being afforded a reasonable opportunity to consult with counsel, and that failure to respond within 30 calendar days from the date of receipt of the notice will constitute a waiver of the right.

(9) The notification of separation will include a sample of the victims of sexual assault statement for administrative separations (fig 3–1).

b. Reasonable effort should be made to furnish copies of the notice to the Soldier through personal contact by a representative of the command. In such a case, a written acknowledgment of the notice will be obtained. If the Soldier cannot be personally contacted or refuses to acknowledge receipt of the notice, the notice will be sent by registered or certified mail, return receipt requested, to the most recent address furnished by the Soldier as an address for receipt or forwarding of official mail. The individual who mails the notification will prepare an Affidavit of Service by Mail (fig 1–1). This will be inserted in the Soldier’s personnel file together with PS Form 3800. If available, the command will contact the Soldier via a known email address, social media contact, or cellular phone number.

3–6. Additional notice requirements

a. If separation processing is initiated on the basis of more than one reason, the Soldier will be notified of the basis of each reason, including the circumstances on which the action is based, with reference to the specific provisions of this regulation that authorize separation.

b. If the Soldier is in civil confinement the relevant notification procedures of paragraph 3–5b, above apply.

c. If the separation action involves a transfer from the ARNGUS to the USAR the notification procedures in paragraph 1–25, of this regulation, are required.

d. When the Soldier is processed for separation by reason of convenience of the Government (chap 6, of this regulation) and characterization of service of general (under honorable conditions) is authorized, the Soldier must be notified of the specific factors in the service record that warrant such a characterization.

e. The intermediate commander(s), in making recommendations on the characterization or description of service, may recommend any characterization or description of service authorized for the notified basis of separation, but will normally be limited to considering facts contained within the proposed action. If the intermediate commander(s) consider additional unfavorable information outside that contained in the proposed action in making recommendations, the intermediate commander(s) will state, in writing, the specific facts and incidents in the Soldier’s record that warrant such type of discharge and characterization or description. The Soldier will be given an opportunity to rebut the additional material prior to the proposed action being forwarded from that intermediate commander. Military legal counsel will be made available to assist in preparation of rebuttal of the additional material. An explanation by the intermediate commander of the reasons for his or her recommendation that refers only to facts contained within the proposed action or to the commander’s conclusions based on those facts will not constitute “additional unfavorable information” within the meaning of this paragraph.

3–7. Response

The Soldier will be provided a reasonable period of time (not fewer than 30 calendar days) to respond by endorsement to the notification memorandum (fig 3–3). An extension may be granted on a timely showing of good cause by the Soldier. An extension will normally be granted until any documents requested by the Soldier pursuant to paragraph 3–5a(4), above, are provided to the Soldier and the Soldier has a reasonable opportunity to respond to such documents. The decision of the Soldier on each of the rights set forth in paragraphs 3–5a(4) through (7), above, and applicable provisions referenced in paragraph 3–6, above, will be recorded and signed by the Soldier and counsel (fig 3–3), subject to the following limitations:

a. If the Soldier elects to exercise his or her right to a hearing before an administrative board (para 3–5a(7), above), then the entire matter will be processed under the administrative board procedure (sec III, below) commencing with paragraph 3–14, below. (Compliance with paras 3–11, 3–12, and 3–13, below, is not required in this situation.)

b. If the notification memorandum was mailed (para 3–5b, above) and the Soldier fails to acknowledge receipt, or to submit a reply (fig 3–3) within 30 calendar days, that fact will constitute a waiver of the right to respond. An appropriate notation will be recorded on the retained copy of the memorandum of notification (fig 3–2).

c. If the Soldier declines to respond as to the selection of rights, such declination will constitute a waiver of rights and an appropriate notation will be recorded on the retained copy of the memorandum of notification (fig 3–2). If the Soldier indicates that one or more of the rights will be exercised, but declines to sign the receipt of notification (fig 3–3), the selection of rights will be noted. An appropriate notation as to the failure to sign will be made.

3–8. The initiating commander’s report to the separation authority

The commander initiating the separation proceedings will forward a full report of the recommended proceedings through intermediate commanders, if any, to the appropriate separation authority (para 1–10, of this regulation) using the commanding officer’s report in the format shown in figure 3–4.
3–9. Action by intermediate commanders
Intermediate commanders may take the following action:

a. Disapprove the recommendation and direct reassignment of the Soldier to another organization, if applicable, or direct disposition by other means. In case of reassignment, the commanding officer’s report will be forwarded to the new organization commander for information.

b. Approve the commanding officer’s recommendation and forward the report to the separation authority.

3–10. Action by separation authority

a. The separation authority for actions initiated under the notification procedure will be the authority cited in paragraph 1–10, of this regulation.

b. The action of the separation authority will be recorded.

c. On receipt of the commander’s report (para 3–8, above, or para 3–11, below), the separation authority will determine if there is sufficient evidence to verify the allegations set forth in the notification of the basis for separation. If an allegation is not supported by a preponderance of the evidence, it may not be used as a basis for separation. If there is not sufficient basis for separation, the separation authority will disapprove the recommendation and return the case to the originator for disposition by other means or take other appropriate action under this regulation. If the recommendation is disapproved, the return endorsement will cite reasons for disapproval.

d. If there is a sufficient factual basis for separation for the reason set forth in the notification, the separation authority will determine whether separation is warranted under the guidance in chapter 2, sections I and II, of this regulation. On the basis of that guidance, the separation authority will direct one of the following actions:

(1) Retention.
   (a) In current assignment or pay category; or
   (b) In the USAR with reassignment to the IRR under the MATP (chap 1, sec V, of this regulation), or in accordance with AR 140–10.

(2) Separation. If an ARNGUS Soldier eligible for MATP (para 1–22a, of this regulation) is being separated for reasons cited in paragraph 1–21b, of this regulation and the separation authority determines the Soldier has mobilization potential (para 1–24, of this regulation), the separation authority may direct the Soldier be discharged from the ARNG in accordance with NGR 600–200 with concurrent transfer as a Reserve of the Army to the IRR of the USAR as a mobilization asset.

(3) Suspended separation in accordance with the guidance in chapter 2, section II, of this regulation.

e. If the separation authority directs separation or suspended separation on the basis of more than one reason authorized by this regulation, the separation authority will designate the most appropriate basis as the primary reason for reporting purposes (para 3–2, above).

f. If separation or a suspended separation is directed, the separation authority will assign a characterization or description of service in accordance with chapter 2, section III, of this regulation.

Section III
Separation Using The Administrative Board Procedure

3–11. Notice under the administrative board procedure

a. When the administrative board procedure is required under a reason for separation cited in this regulation, the Soldier will be notified in writing of the matters set forth in this section: (Use the memorandum format in fig 3–5, with the endorsement format in fig 3–6, for this purpose.)

(1) The basis of the proposed separation, including the circumstances upon which the action is based, and a reference to the applicable provisions of this regulation.

(2) Whether the proposed separation could result in a discharge from the Army, transfer from the ARNGUS to the USAR, or release from custody and control of the Army.

(3) The least favorable characterization or description of service authorized for the proposed separation.

(4) The Soldier’s right to consult with counsel. The Soldier may also consult with civilian counsel retained at the Soldier’s own expense.

(5) The right to obtain copies of documents that will be sent to the separation authority supporting the basis of the proposed separation. Classified documents may be summarized. For separation under chapter 11 or chapter 12, of this regulation, based on a positive urinalysis, the Soldier will be provided, on request, a copy of the laboratory documents (as described in AR 600–85).

(6) The Soldier’s right to request a hearing before an administrative board.

(7) The Soldier’s right to present written statements instead of board proceedings.

(8) The Soldier’s right to representation at the administrative board by military counsel designated in accordance with AR 27–10, chapter 6. Request for military counsel of choice is not authorized (AR 15–6, para 5–6b(2)).

(9) The Soldier’s right to representation at the administrative board by civilian counsel at the Soldier’s own expense.
The commander initiating the separation proceedings will forward a full report of the recommended proceedings. The initiating commander’s report to the separation authority will include a copy of the endorsement (fig 3–6), the selection of rights will be noted. An appropriate notation as to the failure to sign will be made on the retained copy of the notification memorandum (fig 3–5). If the Soldier fails to acknowledge receipt, or to submit a reply by endorsement (fig 3–6) within 30 calendar days, that fact will constitute a waiver of the right. The right to be present at the board hearing will be waived if the Soldier fails to appear without good cause.

Additional notice requirements

- If separation processing is initiated on the basis of more than one reason, the Soldier will be notified of the basis of each reason, including the circumstances on which the action is based, with reference to the specific provisions of this regulation that authorize separation.
- If the Soldier is in civil confinement, the relevant notification procedures of paragraph 3–11b, above, apply.
- If the separation action involves a transfer from the ARNGUS to the USAR, the notification procedures in paragraph 1–25, of this regulation, are required.
- The intermediate commander(s), in making recommendations on the characterization or description of service, may recommend any characterization or description of service authorized for the notified basis of separation, but will normally be limited to considering facts contained within the proposed action. If the intermediate commander(s) consider additional unfavorable information outside that contained in the proposed action in making recommendations, the intermediate commander(s) will state in writing the specific facts and incidents in the Soldier’s record that warrant such type of discharge and characterization or description. The Soldier will be given an opportunity to rebut the additional material prior to the proposed action being forwarded from that intermediate commander. Military legal counsel will be made available to assist in preparation of rebuttal of the additional material. An explanation by the intermediate commander of the reasons for his or her recommendation that refers only to facts contained within the proposed action or to the commander’s conclusions based on those facts will not constitute “additional unfavorable information” within the meaning of this paragraph.

3–13. Response

The Soldier will be provided a reasonable period of time (not fewer than 30 calendar days) to respond by endorsement to the notification memorandum (fig 3–6). An extension may be granted on a timely showing of good cause by the Soldier. An extension will normally be granted until any documents requested by the Soldier pursuant to paragraph 3–11a(5), above, are provided to the Soldier and the Soldier has a reasonable opportunity to respond to such documents. The decision of the Soldier on each of the rights set forth in paragraphs 3–11a through (10), above, and applicable provisions referenced in paragraph 3–12, above, will be recorded and signed by the Soldier and counsel (fig 3–6), subject to the following limitations:

- If the notification memorandum (fig 3–5) was mailed in accordance with paragraph 3–11b, above, and the Soldier fails to acknowledge receipt, or to submit a reply by endorsement (fig 3–6) within 30 calendar days, that fact will constitute a waiver of rights. An appropriate notation will be recorded on a retained copy of the notification memorandum (fig 3–5).
- If the Soldier declines to respond as to the selection of rights, such declination will constitute a waiver of rights and an appropriate notation will be made on the retained copy of the notification memorandum (fig 3–5).
- If the Soldier indicates that one or more of the rights will be exercised, but declines to sign the endorsement (fig 3–6), the selection of rights will be noted. An appropriate notation as to the failure to sign will be made on the retained copy of the endorsement (fig 3–6).

3–14. The initiating commander’s report to the separation authority

The commander initiating the separation proceedings will forward a full report of the recommended proceedings
through intermediate commanders, if any, to the appropriate separation authority (para 1–10, of this regulation) using the commanding officer’s report in the format shown in figure 3–4.

3–15. Action by intermediate commanders
Except as may be prescribed in paragraph 12–1d, of this regulation, intermediate commanders may take the following action:

a. Disapprove the recommendation and direct reassignment of the Soldier to another organization, if applicable, or direct disposition by other means. In case of reassignment, the commanding officer’s report will be forwarded to the new organization commander for information.

b. Approve the commanding officer’s recommendation and forward the report to the separation authority.

3–16. Waiver

a. When a Soldier waives his or her right to a hearing before an administrative board, then the entire matter will be processed under the notification procedure (sec II, above) commencing with paragraph 3–8. (Compliance with paras 3–5, 3–6, and 3–7, above, is not required in this situation.) However, the separation authority will be a general officer cited in paragraphs 1–10a or b, of this regulation.

b. A Soldier entitled to an administrative board may submit a conditional waiver to a hearing by a board after a reasonable opportunity to consult with counsel under paragraph 3–11a(11), above. (The memorandum format in fig 3–7 will be used for this purpose.) The conditional waiver (fig 3–7) is a memorandum submitted by a Soldier waiving the right to a hearing by a board on the condition characterization of service on separation will be higher than the least favorable characterization or description of service authorized for the basis of the separation reason listed in the notification memorandum (fig 3–5). The separation authority will be the same as if the Soldier had not submitted the conditional waiver.

1. The separation authority may approve or disapprove the conditional waiver. If the conditional waiver is disapproved, the case will be referred to a hearing before an administrative board, unless there is a subsequent unconditional waiver of a right to a hearing before an administrative separation board under paragraphs 3–5a(7) and 3–11a(6), above.

2. There is no requirement to delay board proceedings pending action by the separation authority on the conditional waiver. However, once the board has made its findings and recommendations, the convening authority may not approve the conditional waiver.

C. A Soldier with over 20 qualifying years for retired pay being separated for unsatisfactory participation has the option of transferring to the Retired Reserve rather than process through an administrative separation board.

3–17. Action by the separation authority on commander’s recommendation
Receiving the commanding officer’s report (para 3–8 or 3–14, above), the separation authority may take one of the following actions:

a. Disapprove the recommendation and return the case to the originator for disposition by other means.

b. Disapprove the recommendation relating to reason for separation and direct the Soldier be processed for separation under another reason for separation. This may be done when the separation authority determines that an alternative basis for separation is more appropriate than the originating command’s reason for separation. In this case the Soldier must be so advised and new proceedings must be initiated using the notification procedure or administrative board procedure, as required.

c. When the board hearing has been properly and effectively waived, approve the separation and direct characterization of service or description of separation in accordance with chapter 2, section III, of this regulation.

d. When the board hearing has been properly and effectively waived, approve the separation and direct characterization of service or description of separation in accordance with chapter 2, section III, and suspend execution of the separation (chap 2, sec II, of this regulation).

e. Convene an administrative board to conduct a hearing and provide recommendations, as prescribed in paragraph 3–18, below.

f. Direct that the case be processed through medical channels, if appropriate, as provided in paragraph 1–8 of this regulation.

3–18. Hearing requirements
Except as otherwise provided herein, the procedures of AR 15–6 as they relate to boards of officers will also be used in these proceedings. If a Soldier requests, or does not waive the right to, a hearing before an administrative board, the following actions are applicable:

a. Composition.

1. The separation authority (para 1–10, of this regulation) will appoint to the administrative board at least three experienced commissioned, warrant or noncommissioned officers. At least one of the voting commissioned officers must be a Reserve officer.
(a) Enlisted Soldiers appointed to the board must be sergeants first class or above and must be senior to the respondent.

(b) At least one member of the board must be a major or higher, and a majority must be commissioned or warrant officers. However, all board members must be commissioned officers (includes warrant officers) if under other than honorable conditions character of service is authorized for the reason for separation.

(c) The senior member will be the president of the board.

(d) The separation authority may appoint to the board a nonvoting recorder.

(e) A nonvoting legal advisor may be appointed to assist the board.

(2) Boards with ARNGUS respondents will include at least one ARNGUS officer as a voting member. Boards with USAR respondents will include at least one USAR officer as a voting member.

(3) The separation authority will ensure that the opportunity to serve on administrative boards is given to women and minorities. The mere appointment or failure to appoint a member of such a group to the board, however, does not provide a basis for challenging the proceeding.

(4) The respondent may challenge a voting member of the board or the legal advisor, if any, for cause only.

b. Presiding officer. The president will preside and rule on all matters of procedure and evidence, but the rulings of the president may be overruled by a majority of the board. If appointed, the legal advisor will rule finally on all matters of evidence and challenges except challenges to the legal advisor. Military judges may be appointed as board members. If a military judge is appointed as the president of a board, a legal advisor to the board need not be appointed.

c. Witnesses.

(1) The Soldier will be notified of the names and addresses of witnesses expected to be called at the board hearing and that the recorder of the board will, on written request of the Soldier, endeavor to arrange for the presence of any available witness the Soldier desires to call. Pursuant to AR 15–6, paragraph 3–7c, expert medical and psychiatric testimony routinely may be provided in the form of affidavits.

(2) The respondent may submit a written request for temporary duty or invitational travel orders for witnesses. Such a request will contain the following matter:

a) A synopsis of the testimony that the witness is expected to give.

b) An explanation of the relevance of such testimony to the issues of separation or characterization.

c) An explanation as to why written or recorded testimony would not be sufficient to provide for a fair determination.

(3) The convening authority may authorize expenditure of funds for production of witnesses only if the presiding officer (after consultation with a judge advocate) or the legal advisor (if appointed) determines that—

a) The testimony of a witness is not cumulative.

b) The personal appearance of the witness is essential to a fair determination on the issues of separation or characterization.

c) Telephonic, written, or recorded testimony will not adequately accomplish the same objective.

d) The need for live testimony is substantial, material, and necessary for a proper disposition of the case, and

e) The significance of the personal appearance of the witness when balanced against the practical difficulties in producing the witness favors production of the witness. Factors to be considered in relation to the balancing test include the cost of producing the witness, the timing of the request for production of the witness, the potential delay in the proceeding that may be caused by producing the witness, or the likelihood of significant interference with military operational deployment, mission accomplishment, or essential training.

(4) If the convening authority determines that the personal testimony of a witness is required, the hearing will be postponed or continued if necessary to permit the attendance of the witness.

(5) The hearing will be continued or postponed to provide the respondent with a reasonable opportunity to obtain a written statement from the witness if a witness requested by the respondent is unavailable in the following circumstances:

a) When the presiding officer determines that the personal testimony of the witness is not required; or

b) When the commanding officer of a military witness determines that military necessity precludes the witness’ attendance at the hearing; or

c) When a civilian witness declines to attend the hearing.

(6) Paragraph (5)(c), above does not authorize a Federal employee to decline to appear as a witness if directed to do so in accordance with applicable procedures of the employing agency.

d. Record of proceedings. The proceedings of the board will be summarized as fairly and accurately as possible. The proceedings will contain a verbatim record of the findings and recommendations.

e. Presentation of evidence. Except as otherwise provided in this regulation, the procedures in AR 15–6 apply.

f. Introduction of limited use evidence. The Government may initially introduce limited use evidence (AR 600–85) into separation proceedings accomplished under this regulation or, at its option, may elect to proceed solely with independent evidence not subject to limited use. If limited use evidence is initially introduced by the Government and the separation proceedings result in separation, the Soldier will receive an honorable characterization of service (para
2–10a, of this regulation). However, the proceedings may be reinitiated or a rehearing held in accordance with the following guidance. If limited use evidence is introduced by the Government before the board convenes, the separation proceedings may be reinitiated, excluding all references to limited use evidence. If limited use evidence is introduced by the Government after the board convenes, a general officer who is the separation authority may set aside the proceedings and refer the case to a new board for rehearing. (See AR 600–85.) The reason for the rehearing will not be disclosed to the new board and limited use information will not be initially introduced by the Government. Review and action in the case will be based only on the new record. If a rehearing is not deemed appropriate, the Soldier may be separated with an honorable characterization of service (para 2–10a, of this regulation). The servicing Judge Advocate will review completed board proceedings that contain limited use evidence and advise the separation authority whether a rehearing is appropriate.

g. Rights of the respondent.

(1) The respondent may testify in his or her own behalf. The provisions of Article 31(a), UCMJ, will apply, as appropriate.

(2) At any time before the board convenes and during the proceedings, the respondent or counsel may submit written or recorded matter for consideration by the board. This includes submission of any answer deposition, sworn or unsworn statement, affidavit, certificate, or stipulation, or depositions of witnesses not reasonably available or witnesses unwilling to appear voluntarily.

(3) The respondent or counsel may call witnesses in his or her own behalf subject to the provisions of c, above.

(4) The respondent or counsel may question any witness who appears before the board.

(5) The respondent or counsel may present argument before the board closes for deliberation on findings and recommendations.

(6) The respondent may appear in person with or without counsel at all open proceedings of the board. When a Soldier appears before a board without counsel, the record will show that the president of the board counseled the respondent as to characterization or description of service that he or she may receive as a result of the board action, the effects of such characterization or description, and that he or she may request counsel. The record of the proceedings will reflect the respondent’s response.

(7) The respondent or counsel may challenge any voting member of the board or the legal advisor, if any, for cause only. Furthermore, when the board is considering a case in which the respondent has exercised his or her right to revoke a previous waiver, the board membership will not be advised in any manner of such action by the respondent, or of the type of discharge which had been recommended in his or her case. When it has come to the attention of the respondent or his or her counsel that facts intended to be excluded are known by any member of the board, failure to challenge the member having such knowledge constitutes a waiver of the matter.

(8) Failure of the Soldier to invoke any of the rights in (1) through (7), above, after having been apprised of same is not a bar to the board proceedings, findings, or recommendations.

h. Findings and recommendations. The board will—

(1) Determine its findings and make recommendations in closed session. Only voting members will be present.

(2) Determine whether each allegation in the notice of proposed separation is supported by a preponderance of the evidence.

(3) Determine under the guidance in chapter 2, section I, of this regulation, whether the findings warrant separation with respect to the reason for separation set forth in the notice. If more than one reason was contained in the notice, there will be a separate determination for each reason (see fig 3–8).

(4) Make recommendations on the following:

(a) Retention or separation. The board will recommend retention or separation. Should the board recommend retention, the recommendation must provide for the Soldier to be retained in the component and status in which the Soldier is currently serving, and no characterization of service will be recommended. A board will not recommend retention when recommending a characterization of service.

(b) Suspension of separation. If the board recommends separation, it may recommend that the separation be suspended in accordance with chapter 2, section II, of this regulation, but the recommendation of the board is not binding on the separation authority.

(c) Characterization of service or description of separation. If separation or suspended separation is recommended, the board will recommend a characterization of service or description of separation as authorized by the basis for separation (chaps 6 through 16, of this regulation) in accordance with the guidance in chapter 2, section III, of this regulation.

i. Report of proceedings. A complete report of proceedings will be forwarded to the separation authority for final determination and disposition.

3–19. Action by separation authority on board recommendations

a. The separation authority for actions initiated under the administrative board procedure will be the authority cited in paragraphs 1–10a and b, of this regulation. This authority will not be further delegated.

b. The board proceedings will be reviewed by a qualified officer fully cognizant of applicable regulations and
policies. This officer determines whether the action meets the requirements of this regulation. However, in every case in which characterization of service under other than honorable conditions is recommended, or when limited use evidence was introduced in the board proceedings (para 3–18h, above), or when the Soldier identifies specific legal issues for consideration by the separation authority, the proceedings will be reviewed by a member of The Judge Advocate General’s Corps.

c. The respondent will be provided a copy of the board’s statement of facts and recommendations.

d. In cases where the separation authority recommends the separation of a Soldier with 18 but fewer than 20 years of qualifying service for retired pay (10 USC 12732), the report of board proceedings and the separation authority recommendation will be sent to HQDA in accordance with paragraph 1–12, of this regulation, for consideration.

e. In cases where a board has recommended separation of a Soldier based on a civil court conviction and the Soldier is not incarcerated (para 12–2, of this regulation), approval and execution of the separation will normally be withheld only if the Soldier has filed an appeal of the conviction or stated his or her intention to do so (para 12–2h, of this regulation). If the separation authority determines execution of the separation is appropriate without waiting for final action on the appeal, the Soldier may be separated with the appropriate characterization of service upon the approval of HQDA, ARNGUS, NGR–ARP/OCAR, DAAR (para 1–12, of this regulation), or at the request of the Soldier.

f. The separation authority will take action in accordance with this paragraph; the requirements of chapters 4 through 16, of this regulation, with respect to the reason for separation; and the guidance in chapter 2 on separation and characterization; and the guidance in chapter 1, section V, of this regulation, regarding the MATP.

1) If the separation authority approves the recommendations of the board on the issue of separation or characterization (or both) this constitutes approval of the board’s findings and recommendations under paragraph 3–18a, above, unless the separation authority expressly modifies such findings or recommendations. However, the separation authority cannot authorize a characterization of service less favorable than that recommended by the board.

2) If the board recommends retention, the separation authority will not direct discharge. The separation authority may take one of the following actions:

(a) Approve the recommendation.

(b) If the separation authority believes that discharge is warranted and in the best interests of the Army, a request for separation under the provisions of chapter 14, of this regulation, may be sent to HQDA, ARNGUS, NGR–ARP/OCAR, DAAR (para 1–12, of this regulation). The separation authority will personally sign the memorandum to HQDA, ARNGUS, NGR–ARP/OCAR, DAAR which sets forth specific reasons justifying the Soldier’s discharge as being in the Army’s interest. Prior to forwarding the case, the notification procedure (sec II) will be used. However, the procedure for requesting an administrative board (para 3–5a(7), above) is not applicable. It is the policy of HQDA, ARNGUS, NGR–ARP/OCAR, DAAR to uphold the recommendations of a duly constituted board unless compelling justification is given to warrant separation under Secretarial authority, as being in the Army’s best interest. Compelling justification warranting separation might be such things as incomplete record available to the board, false testimony, or other defects in the proceedings. If separation is approved under chapter 14, of this regulation, the characterization or description of service will be in accordance with paragraph 14–2, of this regulation.

3) If the board recommends separation, the separation authority may:

(a) Approve the board’s recommendation.

(b) Approve the board’s recommendations, but modify the recommendations by one or more of the following actions when appropriate:

1. Approve the separation but suspend execution as provided in chapter 2, section II, of this regulation.

2. Change the character of service or description of separation to a more favorable characterization or description. The separation authority cannot authorize a characterization of service less favorable than that recommended by the board.

(c) Disapprove the board’s recommendation and direct retention.

4) If the separation authority approves the board’s findings and recommendations in whole or in part with respect to more than one reason for separation (chaps 6 through 16, of this regulation), the separation authority will designate the most appropriate basis as the primary reason for reporting purposes.

5) If the separation authority notes a defect but deems it harmless in a case in which separation has been recommended, he or she will take final action in accordance with paragraph (3), above. If these are substantial defects, the separation authority may take one of the following actions:

(a) Direct retention.

(b) If the board has failed to make findings or recommendations required, return the case to the same board for compliance with this regulation.

(c) If there is an apparent procedural error or omission in the record of proceedings that may be corrected without reconsideration of the findings and recommendations of the board, return the case to the same board for corrective action.

(d) If the board’s error materially prejudiced a substantial right of the Soldier, the separation authority may only take action that can be sustained without relying on the proceedings affected by the error. The separation authority may set aside the findings and recommendations and refer the case to a new board for a rehearing. A member of the new board
cannot have served on a prior board that considered any of the same matters against the Soldier. The new board may
be furnished the evidence properly considered by the first board. This evidence will include extracts from its record of
testimony of witnesses not deemed by the convening authority to be reasonably available to testify at the rehearing.
Additional admissible evidence may be furnished to or obtained by the new board. The separation authority may, on
due notice to the Soldier, incorporate new allegations based on later conduct of the Soldier. Unless the new board
considers substantial additional evidence unfavorable to the Soldier, the separation authority may not approve any
findings and recommendations of the new board less favorable than those rendered by the first board.

(6) If the separation authority determines, based on newly discovered evidence that the findings of the first board
were obtained by fraud or collusion, the case may be referred to a new board. The fraud or collusion, which serves as
the basis for referral to a new board, must be based on newly discovered evidence which was unknown at the time of
the original proceedings. No member of the new board may have been a member of the first board. The separation
authority may not approve findings and approve recommendations less favorable to the Soldier than those rendered by
the first board unless the separation authority finds that the newly discovered evidence of fraud or collusion in the first
board is attributable to the Soldier or an individual acting on the Soldier’s behalf.

3–20. Disposition of proceedings

a. When separation is ordered by the separation authority or his or her designee, he or she will so note in the record
of proceedings and forward them as authority for separation to the appropriate commander for execution of the
separation. (See para 3–22, below, for disposition of the case file when separation is accomplished.)

b. When separation is not ordered by the separation authority, the proceedings will be filed at that headquarters. The
Soldier’s commanding officer will be notified of the final action. When deemed appropriate, consideration will be
given to the Soldier’s reassignment to a different organization. Ultimate disposition of the board proceedings will be
governed by AR 25–400–2.

c. A Soldier who is to be separated will be furnished a copy of the board proceedings, less written medical
testimony and reports which would prove injurious to the Soldier’s physical or mental health.

(1) The Soldier’s copy of the proceedings will be marked “copy for (name and social security number of the
member)” and furnished the Soldier or his or her counsel. A signed receipt will be obtained from the Soldier or the
Soldier’s counsel to whom the copy is furnished and filed with the original board proceedings. If the Soldier refuses to
sign the receipt, a statement to that effect will be filed.

(2) If the Soldier or the Soldier’s counsel does not desire a copy of the board proceedings or if for any other reason
a copy is not furnished, a notation will be made on the Soldier’s copy, which will be filed with the original. Release of
this copy thereafter may be made only by the Commander, HRC.

3–21. Errors and discrepancies noted before accomplishing separation
If material errors or discrepancies in approved board proceedings are found, the case will be referred for review before
separation to HQDA (para 1–12, of this regulation), as appropriate.

3–22. Disposition of the case file
When separation of the Soldier has been accomplished by appropriate authority under this regulation, the complete file
of the case together with the Soldier’s military personnel records will be disposed of in accordance with the
instructions contained in AR 600–8–104 or NGR 600–200, as appropriate.

Section IV
Additional Provisions Concerning Soldiers Confined by Civil Authorities

3–23. Proceedings when Soldier is confined by civil authorities
If separation proceedings under this chapter have been initiated against a Soldier confined by civil authorities, the case
may be processed in the absence of the respondent (see para 2–18, of this regulation).

3–24. Notification requirements
The following requirements apply:

a. Where the Soldier has a right to, and requests a hearing before an administrative board (see paras 3–5a(7) and
3–11a(6), the Soldier will be notified that the board may be conducted in their absence. In addition, the Soldier will be
notified that if failing, to request, retain, or cooperate with counsel, the board may be conducted in the absence of any
representing counsel.

b. If the notification memorandum (fig 3–2 or fig 3–5) is delivered personally, receipt will be acknowledged by
signing the endorsement (fig 3–3 or fig 3–6). If the Soldier does not acknowledge receipt, the notification memoran-
dum will be sent by mail as provided in paragraph a, above.

c. The required actions governing the Soldier’s response or failure to respond are prescribed in paragraph 3–7 or
paragraph 3–13, above, as appropriate.
d. The name and address of the appointed military counsel for consultation will be specified in the notification memorandum.

e. Where the Soldier has a right to, and requests, a hearing before an administrative board (paras 3–5a(7) and 3–11a(6), above) and a right to, and requests, representation by counsel at the board hearings, the Soldier will be notified that the proceedings will be conducted in his or her absence and that he or she will be represented by counsel.

   a. (initial) I hereby exercise my right to a hearing before an administrative separation board. I understand that after having requested appearance before the board, my willful failure to appear before the board will constitute a waiver of my rights to personal appearance before the board, unless I am in civil confinement. (When requesting a board hearing the soldier must also initial one of the following subparagraphs:)

7. I understand that I may submit a waiver of my right to an administrative board, except as explained in para 9 below, on the condition that I receive a characterization of service higher than the least favorable characterization of service authorized in my separation action. I understand that the separation authority may decline to accept my conditional waiver. A request for a conditional waiver may be enclosed with this response, or in addition to but separate from this response, but in either case I understand it must be received by the commander by the suspense date shown on the Notification Memorandum. I understand that my request may be disapproved. See AR 135-178, paragraph 3-15b.

Chapter 4
Expiration of Service Obligation

4–1. Basis
A Soldier will be discharged from the Army upon expiration of the later of the term of contractual service or the statutory MSO.
4–2. The military service obligation

The period of military service required for all enlisted Soldiers will be in accordance with applicable laws and Department of Defense directives. Contractual terms of enlistment or reenlistment are as set forth in AR 140–111, AR 601–210, AR 601–280, and NGR 600–200.

a. Statutory military service obligation. A person whose initial entry into military service was on or after 1 June 1984, incurred an obligation under 10 USC 651(a) to serve a period of 8 years in the military service from the date of entry unless sooner discharged for personal hardship. Unless reenlisted or extended for a term of service that exceeds the expiration date of the statutory MSO, or retained as prescribed in paragraph 2–15 of this regulation, the Soldier will be discharged on the expiration of the statutory MSO by the separation authority (para 1–10, of this regulation).

b. Contractual military service obligation. On enlistment and reenlistment, a Soldier enters into an agreement to serve in a regular or reserve component of the armed forces for a specified term of service. The contracted term of service may expire during, run concurrent with, or exceed the term of an incurred statutory MSO. Unless reenlisted or extended, a Soldier will be discharged from military service on expiration of a contractual MSO, or a statutory MSO, whichever is the later, by the separation authority (para 1–10, of this regulation). Consider the following examples:

1. A Soldier enlists in the ARNGUS for 6 years and incurs an 8–year statutory MSO. On expiration of the 6 years, unless reenlisted or extended in the ARNGUS, the Soldier will be separated from the ARNGUS and transferred as a Reserve of the Army to the USAR. Unless reenlisted or extended in the USAR, the Soldier will be discharged from the USAR on expiration of the 8-year statutory MSO.

2. A Soldier enlists in the USAR for 8 years with a concurrent assignment to a TPU under the 6 x 2 option (6 years TPU and 2 years IRR) and incurs an 8-year statutory MSO. Unless reenlisted in the USAR for a term of service that exceeds the expiration date of the statutory MSO, the Soldier may request reassignment to the IRR on completion of the 6 years, or remain assigned to the TPU. In either case, unless sooner reenlisted or extended, the Soldier will be discharged from the USAR on expiration of the 8-year statutory MSO.

3. A Soldier enlists or reenlists in the ARNGUS or USAR for a term of service that exceeds the expiration date of the 8–year statutory MSO. Unless sooner reenlisted or extended, the Soldier will be discharged from the ARNGUS or USAR on expiration of the enlistment or reenlistment agreement.

4. A Soldier having no incurred statutory MSO remaining, enlists or reenlists in the ARNGUS or USAR. Unless sooner reenlisted or extended, the Soldier will be discharged from the ARNGUS or USAR on expiration of the enlistment or reenlistment agreement.

4–3. Retention beyond expiration of service obligation

A Soldier may not be held in the Army beyond the normal expiration of service obligation unless the service obligation is extended by law or the provisions of paragraph 2–15 of this regulation, apply. When through administrative error a Soldier is not discharged on the actual date of completion of term of Soldier enlistment, reenlistment, or date of completion of statutorily obligated service, or as provided in paragraph 2–15 of this regulation, a remark will be included in the “Remarks” section of the Soldier’s DA Form 2–1 as follows: “Retained beyond normal discharge date for the convenience of the Government.”

4–4. Voluntary separation of Soldiers on indefinite re-enlistments

a. Army Reserve Soldiers serving on indefinite re-enlistments desiring a voluntary separation for reasons not specifically covered in this regulation must submit requests through command channels to the authority cited in paragraph 1–10 of this regulation.

(1) Soldiers requesting voluntary separation under this provision will indicate the reason(s) for voluntary separation.

(2) Such requests generally will be denied if the Soldier has an unfulfilled service obligation for training, as prescribed in AR 614–200, table 4–1, or an unfulfilled service obligation due to promotion, as prescribed in AR 600–8–19, paragraph 5–26.

(3) If requests are approved, Soldiers will be separated under the provisions of this chapter, as they are considered to have fulfilled the MSO.

b. Soldiers applying for separation may request specific separation dates. Requested separation dates will not be more than 6 months after the date of the application.

4–5. Characterization of service

The service of a Soldier being discharged on expiration of the term of an enlistment, reenlistment, or on fulfillment of a statutory MSO will be characterized as honorable except as provided in paragraph 1–26, of this regulation.

4–6. Separation authority

The appropriate authority cited in paragraph 1–10, of this regulation, can order separations under this chapter.
Chapter 5
Selected Changes in Service Obligations

5–1. Basis
A Soldier may be separated on the basis of a reason set forth in this chapter. The separation actions and the characterization of service are as prescribed for the reason for separation.

5–2. Reduction in authorized strength of the U.S. Army Reserve or Army National Guard of the United States
   a. Early separation. Soldiers may be discharged from Reserve of the Army status prior to expiration of their service obligations when budgetary constraints or authorization limitations require a reduction in enlisted strength. The Secretary of the Army or his or her designee will authorize this reduction and will direct the CNGB and the CAR to issue discharge instructions pertaining to a Soldier or to all Soldiers of a specified class or category of personnel. Discharge may be voluntary or involuntary, except for enlisted Soldiers with at least 18 but fewer than 20 years of service qualifying for retired pay who meet other requirements of 10 USC 1176(b).
   b. Procedures. The notification procedure chapter 3, section II, of this regulation, will be used for involuntary discharges under this paragraph. However, the notification memorandum may contain information other than that shown in figure 3–1, as the notification will be based on information and instructions furnished by HQDA.
   c. Characterization of service. The service of Soldiers discharged under this paragraph will be characterized as honorable unless an uncharacterized description of service is required by paragraph 2–11, of this regulation.
   d. Separation authority. On receipt of instructions from CNGB and CAR, the authorities cited in paragraphs 1–10a and 1–10b, of this regulation, may order discharge under this paragraph.

5–3. Discharge for immediate reenlistment
   a. Immediate reenlistment. Enlisted Soldiers who immediately reenlist for continuing service in the ARNGUS in accordance with NGR 600–200, or in the USAR in accordance with AR 140–111, as appropriate, will be discharged effective the date preceding the date of the immediate reenlistment agreement.
   b. Discharge certificate. A formal discharge certificate will not be issued when a Soldier is discharged under this paragraph.
   c. Discharge order. Use orders format 500. Under additional instructions insert the following: “Your enlistment in, or assignment to, the (ARNGUS or USAR) on (date) was terminated on the effective date of this order as a result of your immediate reenlistment in the (ARNGUS or USAR) on (date). No formal discharge certificate will be issued.”
   d. Characterization of service. The service of a Soldier discharged in accordance with this paragraph will be characterized as honorable.
   e. Separation authority. The authorities cited in paragraph 1–10, of this regulation, may order discharge under this paragraph.

5–4. Discharge on enlistment in another component of the U.S. Armed Forces
   a. Enlistment in a regular or reserve component. Except as cited in c, below, a Reserve of the Army Soldier will be discharged on enlistment or reenlistment in any regular or reserve component of the U.S. armed forces, other than—
      (1) Enlistment in the ARNGUS. The Soldier will be transferred as a Reserve of the Army to the ARNGUS in accordance with AR 140–10, paragraph 5–2.
      (2) Appointment as a cadet or midshipman to one of the Service academies. An enlisted Soldier of the ARNGUS will be discharged from the ARNG in accordance with NGR 600–200 and transferred to the Service academy as a Reserve of the Army in accordance with AR 140–10, paragraph 1–6.
   b. Enlistment in the Senior Reserve Officers’ Training Corps. ARNGUS and USAR Soldiers who execute a USAR enlistment on enrollment in the SROTC with assignment to control group (ROTC) in accordance with AR 145–1, paragraph 3–15, will be discharged from their current ARNGUS or USAR enlistment agreements effective the date preceding the date of enlistment as a cadet in the SROTC.
   c. Discharge limitation. Discharge to enlist in a regular or reserve component of any of the U.S. Armed Forces, other than the Army, is not authorized for enlisted Soldiers within the 60-day period immediately preceding the effective date of order to AD or active duty for training (ADT) other than annual training (AT) or during the performance of AD (except extended active duty, ADT, or AT). A Soldier serving on extended active duty in the Active Army may be discharged as a Reserve of the Army to enlist in the Regular Army under AR 601–280.
   d. Discharge certificate. A formal discharge certificate will not be issued when a Soldier is discharged under this paragraph.
   e. Discharge order. Use orders format 500. The effective date of discharge will be the date preceding the date of enlistment in the U.S. Armed Force. Under additional instructions insert the following: “Your enlistment in, or assignment to, the (ARNGUS or USAR) on (date) was terminated on the effective date of this order, preceding the date

g. Separation authority. The authorities cited in paragraphs 1—10a and 1–10b, of this regulation, may order discharge under this paragraph.

5–5. Discharge on appointment as a commissioned or warrant officer

a. Acceptance of appointment. An enlisted Soldier (including a cadet) will be discharged on acceptance of an appointment as—

1. An officer or warrant officer in any regular or reserve component of the U.S. Armed Forces.
2. A commissioned officer in the Public Health Service.
3. A commissioned officer of the National Oceanic and Atmospheric Administration Corps.

b. Discharge limitation. Before such discharge, the separation authority must have documentary evidence proving that the Soldier will be appointed as a commissioned or warrant officer upon discharge from enlistment.

c. Discharge order. Use orders format 500. The effective date of discharge will be the date preceding the date of appointment as an officer or warrant officer. Under additional instructions insert the following: “Your enlistment in, or assignment to, the (ARNGUS or USAR) on (date) was terminated on the effective date of this order, preceding the date of your appointment as an officer or warrant officer in the (Enter the name of the regular or reserve component). No formal discharge certificate will be issued.”

d. Characterization of service. The service of a Soldier discharged in accordance with this paragraph will be characterized as honorable unless an uncharacterized description of service is authorized in accordance with paragraph 2–11, of this regulation.

e. Separation authority.

1. The authorities cited in paragraphs 1–10a and 1–10b, of this regulation, may order discharge under this paragraph.
2. The authorities cited in paragraph 1–10b(4), of this regulation, may order the discharge of ROTC cadets on appointment as an officer.
3. The authorities cited in paragraph 1–10b(5), of this regulation, may order the discharge of a warrant officer candidate on appointment as a warrant officer.

5–6. Separation of cadets on disenrollment from the Senior Reserve Officers’ Training Corps or an Reserve Officers’ Training Corps Scholarship Program

a. Disenrollment. ROTC cadets enrolled in the SROTC Advanced Course or an ROTC Scholarship Program are assigned members of (control group ROTC) (AR 140–1) of the IRR, unless they are participating in the ROTC/ Simultaneous Membership Program (ROTC/SMP) in accordance with AR 601–210, chapter 10, or NGR 600–200. The disposition of a cadet who is disenrolled from the ROTC Program is prescribed by AR 145–1, chapter 3, section VI, and AR 135–91, paragraph 3–12.

b. Disposition. The separation authority may order that a cadet be—

1. Discharged from the USAR citing this paragraph as the authority.
2. Retained in the IRR under the MATP in accordance with chapter 1, section V, of this regulation.

c. Characterization of service. The service of cadets discharged or retained under the provisions of this paragraph will be described as uncharacterized.

d. Procedures.

1. The procedures for separation of cadets under this paragraph will be governed by AR 135–91, paragraph 3–12, and AR 145–1, chapter 3, section VI.
2. The notification procedures of chapter 3, of this regulation, are not applicable to separations under this paragraph.
3. The MATP policy prescribed by chapter 1, section V, will govern whether the cadet is eligible to be retained in the IRR and assigned to control group (AT) or (reinforcement).

e. Separation authority. The authorities cited in paragraph 1–10b(4), of this regulation, are authorized to order the separation of cadets under this paragraph.

5–7. Reserve Officers’ Training Corps cadet early release

The provisions of this paragraph, and separations hereunder, are applicable only where HQDA has authorized and announced a voluntary ROTC cadet release program.

a. Characterization of service. The service of cadets discharged under the provisions of this paragraph will be uncharacterized.
b. Procedures. The requirements for the early release of cadets will be provided in the HQDA announcement. If authorized by the HQDA announcement, eligible cadets may be retained in the IRR and reassigned to control group (AT) or (reinforcement) under the MATP in accordance with chapter 1, section V. However, the following is applicable to ROTC cadets assigned to USAR units who are SMP participants:

(1) Cadets who enlisted in the ARNGUS prior to enrollment in the SROTC, and have a remaining statutory MSO will, after disenrollment from the SROTC, be retained in their ARNGUS unit in an enlisted grade determined under NGR 600–200, paragraph 6–44, and serve under the terms of their ROTC SMP agreement.

(2) Cadets who enlisted in the USAR, completed required IET, were awarded an MOS prior to enrollment in the SROTC, and have a remaining statutory MSO will, after disenrollment from the SROTC, be retained in a USAR unit in an enlisted grade determined in accordance with AR 600–8–19, chapter 10, and serve under the terms of their ROTC SMP agreement.

(3) Except for cadets identified in (1) and (2), above, ROTC cadets will be offered an opportunity to remain assigned to their ARNGUS or USAR unit and serve under the terms of their ROTC SMP agreement. However, cadets who decline continuing unit participation in an enlisted status will be discharged from the USAR by the appropriate separation authority.

c. Separation authority. The authorities cited in paragraph 1–10b(4), of this regulation, are authorized to order the separation of cadets under this paragraph.

5–8. Discharge of a potential Reserve Officers’ Training Corps/Simultaneous Membership Program participant

b. Characterization of service. The service of Soldiers discharged under the provisions of this paragraph will be uncharacterized unless an honorable characterization is warranted in accordance with paragraph 2–11a, of this regulation.

c. Separation authority. The authorities cited in paragraphs 1–10a and 1–10b, of this regulation, may order discharge under this paragraph.

Chapter 6
Convenience of the Government

6–1. Basis
A Soldier may be separated for the convenience of the Government on the basis of the reasons set forth in this chapter.

6–2. Dependency or hardship
Upon the request of a Soldier and approval of the separation authority, separation may be directed when it is considered that continued membership and service on AD, full-time National Guard duty (FTNGD), or ADT, would result in genuine dependency or undue hardship.

a. Criteria for separation. Separation may be approved when all of the following circumstances exist:

(1) The hardship or dependency is not temporary;

(2) Conditions have arisen or have been aggravated to an excessive degree since entry in the Army, and the Soldier has made every reasonable effort to remedy the situation;

(3) The administrative separation will eliminate or materially alleviate the condition; and

(4) There are no other means of alleviation reasonably available.

b. Limitation of criteria for separation. The following circumstances do not justify separation because of dependency or hardship. However, the existence of these circumstances does not preclude separation because of dependency or hardship provided the application meets the criteria in paragraph a, above.

(1) Normal pregnancy of a Soldier’s wife is not a condition for which his separation is justified.

(2) Undue hardship does not necessarily exist solely because of altered income, separation from Family, or the inconvenience normally incident to military service.

c. Conditions of dependency or hardship.

(1) Dependency. Dependency exists when, because of death or disability of a member of a Soldier’s Family, other members of his or her Family become principally dependent on him or her for care or support to the extent that continued membership and service on AD, FTNGD, or ADT, would result in undue hardship.

(2) Hardship. Hardship exists when, in circumstances not involving death or disability of a member of a Soldier’s Family, separation from the service would materially affect the care or support of the Soldier’s Family by materially alleviating undue hardship.
(a) Parenthood. A married Soldier who becomes a parent by birth, adoption, or marriage (step parent) and whose children under 18 years of age reside within the household, may apply for separation under hardship. The Soldier must submit evidence in accordance with paragraph e, below that the roles of parent and Soldier are incompatible and that he or she cannot fulfill his or her military obligation on AD, FTNGD, or ADT, without neglecting the children.

(b) Sole parents. Soldiers who are sole parents and whose children under 18 years of age reside within the household may apply for separation under hardship. A “sole parent” is a parent who is single by reason of never being married, or is divorced or legally separated and has been awarded child custody by judicial decree or court order, or is a widow or widower. Basis for separation is as prescribed in paragraph (a), above.

(c) Intent. It is not the intent of the Army to arbitrarily allow the separation of an enlisted woman who remained in the service during her pregnancy and then requests release immediately after receiving the medical and monetary benefits related to her prenatal and postnatal absence and delivery.

(d) Supporting evidence. Supporting evidence will be provided in accordance with paragraph e, below. Paragraph 6–4e(2), below minimizes the supporting evidence when the basis is parenthood of either a sole parent or a married Soldier. However, Soldiers must meet the application criteria in paragraph d, below, in addition to the requirement that there be unexpected circumstances beyond the Soldier’s control justifying separation. An example of these circumstances is the birth of a child with a serious birth defect requiring constant care. Inability to obtain an approved Family Care Plan (AR 600–20) does not qualify the Soldier for separation under this provision.

(3) Members of the Family. For the purpose of separation under dependency or hardship conditions, the term “members of the Family” includes only spouse, children, father, mother, brothers, sisters, and any person who stood in loco parentis the Soldier before enlistment. (The term “in loco parentis”, as used here, means “any person who has stood in the place of a parent to a Soldier for 5 continuous years when the Soldier was a child.”)

d. Application for separation. A Soldier must submit a written application to be separated because of dependency or hardship. A request for separation will be submitted as follows:

(1) An ARNGUS Soldier, or USAR Soldier assigned to a TPU or IMA duty position, must submit a written application to the unit commander who will immediately forward it with recommendations and Soldier’s records through channels to the separation authority (para 1–10, of this regulation) for final action.

(2) A Soldier assigned to the IRR, Standby Reserve, or Retired Reserve, must submit a written application to the Commander, U.S. Army Human Resources Command (AHRC–PAR), 1600 Spearhead Division Avenue, Fort Knox, KY 40122–5401. The Chief, Regional Personnel Actions Division, will immediately forward it with recommendations and Soldier’s records through the Director, Personnel Actions and Services Directorate, and Director, Enlisted Personnel Management Directorate, to the Commander, HRC (para 1–10b(1), of this regulation) for final action.

e. Evidence required. The evidence required for dependency or hardship separation will normally be in affidavit form. The evidence must substantiate dependency or hardship conditions on which the application for separation is based.

(1) The evidence will include affidavits or statements submitted by or in behalf of the Soldier’s Family members and by at least two disinterested persons or agencies having firsthand knowledge of the circumstances. If dependency or hardship is the result of disability of a member of the individual’s Family, a physician’s certificate should be furnished showing specifically when such disability occurred, the nature thereof, and prognosis for recovery. There also will be furnished the names, ages, occupations, home addresses, and monthly incomes of other members of the applicant’s Family. The affidavits of disinterested individuals and agencies should include reasons within their knowledge that these members of the Family can or cannot aid in the financial or physical care of the Family members concerned for the period the Soldier is to continue membership or is ordered to AD, FTNGD, or ADT. When the basis for the application is the death of a member of the Soldier’s Family, a death certificate or other proof of death should be furnished.

(2) If the basis for the application is parenthood of either a sole parent or a married Soldier, the supporting evidence will be in affidavit form and will substantiate the applicant’s claim that unexpected circumstances or circumstances beyond his or her control have occurred. These circumstances prevent fulfillment of military obligations without resultant neglect of the child. Affidavits from the Soldier’s immediate commander and officer who is the job supervisor will be considered sufficient. Evidence in (1) above, is not required for these applications; however, sole parenthood resulting from divorce or legal separation will be substantiated by a judicial decree or court order awarding child custody to the Soldier.

f. Procedures. On receipt of a written application with required supporting evidence, the separation authority will—

(1) Consider carefully the facts on which the request is based.

(2) Obtain any other information that may be necessary to determine the validity of the request.

(3) Take final action to approve or disapprove the application.

6–3. Pregnancy

When it has been determined that a Soldier was pregnant at the time of her enlistment, she will be processed in accordance with paragraph 6–6, below. When it has been determined that a Soldier became pregnant after her
enlistment, she will be allowed to elect one of the options under the provisions of AR 135–91, chapter 4, section V, except as follows:

a. Discharge for pregnancy.

(1) On her request, a Soldier who meets all of the following criteria, will be discharged from military service when it has been determined that the pregnancy occurred after she was processed for enlistment:

(a) She has not entered on initial active duty for training (IADT) or ever completed IET.

(b) She has not incurred an active duty obligation as a result of a federally subsidized program.

(2) On her request, a Soldier may be discharged when it has been determined that the pregnancy occurred after she was processed for enlistment and the separation authority determines she is eligible but possesses no potential to perform useful service if ordered to active duty to meet mobilization requirements in accordance with paragraph 1–25, of this regulation.

b. Application for discharge. A Soldier who meets the criteria in paragraph a, above may submit a written application to be discharged because of pregnancy.

(1) The Soldier may request a specific discharge date, which will not be later than 30 days prior to the expected date of delivery. This date may be accelerated by the separation authority if the applicant cannot fully meet the performance requirements of her duty MOS.

(2) A request for separation will be submitted as follows:

(a) An ARNGUS Soldier, or USAR Soldier assigned to a TPU or IMA duty position, may submit a written application to the unit commander who will immediately forward it with recommendations and Soldier’s records through channels to the separation authority (para 1–10, of this regulation) for final action.

(b) A Soldier assigned to the IRR or Standby Reserve may submit a written application to the Commander, U.S. Army Human Resources Command (AHRC–PAR), 1600 Spearhead Division Avenue, Fort Knox, KY 40122–5401. The Chief, Soldier Support Division, will immediately forward it with recommendations and Soldier’s records through the Director, Personnel Actions and Services Directorate, and Director, Enlisted Personnel Management Directorate, to the Commander, HRC (para 1–10b(1), of this regulation) for final action.

6–4. Surviving sons or daughters

a. Criteria. A Soldier who becomes a surviving son or daughter after having enlisted or reenlisted, may apply for and promptly will be discharged. For the purpose of this paragraph, a surviving son or daughter is any son or daughter in a Family in which the father or mother or one or more of the sons or daughters:

(1) Have been killed in action or have died when serving in the U.S. Armed Forces from wounds, accident, or disease.

(2) Are in a captured or missing-in-action status.

(3) Have a permanent 100-percent service-related disability (including 100-percent mental disability), as determined by the Director of Veterans Affairs or one of the military services, and are not gainfully employed because of the disability.

b. Ineligible. A Soldier may not apply for discharge as a surviving son or daughter under any of the following circumstances:

(1) When the Soldier has court-martial charges pending against him or her.

(2) When the Soldier has been convicted by court-martial with appellate review in process.

(3) When the Soldier is serving a sentence to confinement, or is otherwise undergoing punishment, imposed by a court-martial.

(4) When the Soldier is being processed for involuntary administrative separation for cause.

(5) During a period of war or National emergency declared by the Congress.

c. Waiver. A Soldier who—

(1) After having been advised of the provisions in paragraph a, above, enlists, reenlists, or voluntarily extends his or her term of service after having been notified of the Family casualty on which the surviving status is based, will be considered as having waived his or her rights to request separation based on the determination that he or she is a surviving son or daughter.

(2) Has waived his or her right to discharge as a surviving son or daughter, in accordance with (1), above, may request reinstatement of that status at any time. However, a request for reinstatement shall not be granted automatically, but shall be considered on the merits of the individual case. Approval for reinstatement rests with the separation authority in accordance with paragraph 1–10, of this regulation.

d. Application. A Soldier who meets the criteria in paragraph a, above, may submit a written application to be discharged as a surviving son or daughter.

(1) The application will include the following information:
(a) Name, grade, service number (when appropriate), social security number, branch of service (that is, Army), relationship, and date of death or disability of the Family member on which request is based.

(b) DVA claim number, if appropriate.

(c) Name, age, and sex of other Family members.

(2) The application will be submitted as follows:

(a) An ARNGUS Soldier, or USAR Soldier assigned to a TPU or IMA duty position, may submit a written application to the unit commander who will immediately forward it with recommendations and Soldier’s records through channels to the separation authority (para 1–10, of this regulation) for final action.

(b) A Soldier assigned to the IRR or Standby Reserve may submit a written application to the Commander, U.S. Army Human Resources Command (AHRC–PAR), 1600 Spearhead Division Avenue, Fort Knox, KY 40122–5401. The Chief, Regional Personnel Actions Division, will immediately forward it with recommendations and Soldier’s records through the Director, Personnel Actions and Services Directorate, and Director, Enlisted Personnel Management Directorate, to the Commander, HRC (para 1–10b(1), of this regulation) for final action.

e. Verification. Commanders authorized to approve discharge are also authorized to verify status of deceased or disabled Family members by forwarding a request, including name, grade, service number (when appropriate), social security number, approximate inclusive dates of service, and branch of the Armed Forces to the National Personnel Records Administration, National Personnel Records Center, 9700 Page Avenue, St. Louis, MO 63132–5200.

6–5. Involuntary separation due to parenthood

a. General. A Soldier may be separated by reason of parenthood if, as a result thereof, it is determined under the guidance set forth in chapter 2, section I, of this regulation, the Soldier is unable satisfactorily to perform his or her duties, or is unavailable for worldwide assignment or deployment if ordered to AT, AD, FTNGD, or ADT.

b. Counseling. Commanders will ensure that, before recommending separation under this paragraph, the Soldier has been adequately counseled concerning deficiencies, and has been afforded the opportunity to overcome those deficiencies, as reflected in appropriate counseling or personnel records. See AR 600–20, paragraph 5–5, concerning a Soldier’s responsibilities for care of Family members as related to military responsibilities.

6–6. Not medically qualified under procurement medical fitness standards

a. Discharge will be accomplished on determination that a Soldier was not medically qualified under procurement medical fitness standards when accepted for enlistment, or who became medically disqualified under these standards prior to entry on IADT. A Soldier found to be not medically qualified under procurement medical fitness standards will be discharged on the earliest practicable date following such determination and prior to entry on IADT.

b. A basis for discharge exists when—

(1) A medical finding of the staff surgeon that the Soldier has a medical condition that—

(a) Would have permanently disqualified him or her from entry in the Army had it been detected or had it existed at the time of enlistment; and

(b) Does not disqualify him or her from retention under the provisions of AR 40–501, chapter 3.

(2) A Soldier is found positive for drugs as a result of accession testing on or after 1 June 1988.

(3) A Soldier is found to have been pregnant on enlistment. Pregnancy is a disqualifying medical condition for enlistment under AR 40–501, AR 601–210, and NGR 600–200. Women who are discharged under this paragraph for pregnancies that existed prior to entry service pregnancies are not entitled to maternity care, as provided in AR 40–400, paragraph 3–39. The option of separation authorities provided elsewhere in the chapter to retain Soldiers recommended for discharge does not apply to retained prior to entry service pregnancies.

c. This paragraph is not to be used in personality disorder cases. Such cases will be processed under paragraph 6–7, of this regulation.

6–7. Other designated physical or mental conditions

a. Criteria. The separation authority (para 1–10, of this regulation) may approve discharge under this paragraph on the basis of other physical or mental conditions not amounting to disability (AR 635–40) that potentially interfere with assignment to or performance of military duty. Such conditions may include, but are not limited to, chronic airsickness or seasickness, enuresis, sleepwalking, dyslexia, severe nightmares, claustrophobia, personality disorder, transvestism, gender identity disorder or gender dysphoria, and other related conditions in accordance with AR 40–501, paragraph 3–35. Transsexualism/gender transformation in accordance with AR 40–501, and other disorders manifesting disturbances of perception, thinking, emotional control or behavior sufficiently severe that the Soldier’s ability to perform military duties effectively is significantly impaired.

(1) Any Soldier who presents with behavior suspicious for problematic alcohol and/or drug use must be referred to the Army Substance Abuse Program for definitive assessment and clinical intervention, as indicated. Separation under this paragraph may proceed, however, any substance use disorders or treatment requirements must be coordinated prior to discharge with the Army Substance Abuse Program, Department of Veterans Affairs, or other appropriate agency.

(2) In cases in which referral to the Army Substance Abuse Program and/or Family Advocacy Program is required...
based on the Soldier’s clinical presentation, documentation must be submitted in order to confirm that the referral was made, including findings and outcome of assessment and disposition.

b. Personality disorder. In cases of personality disorder, the diagnosis must be made by a psychiatrist or doctoral-level clinical psychologist with necessary and appropriate professional credentials who is privileged to conduct mental health evaluations for DOD components. This condition is a deeply ingrained, maladaptive pattern of behavior of long duration, which interferes with the Soldier’s ability to perform his or her duty. Exceptions are combat exhaustion and other acute situational maladjustment. Separation on the basis of personality disorder is authorized only if the diagnosis concludes that the disorder is so severe that the Soldier’s ability to function effectively in the military environment is significantly impaired.

c. Counseling. Discharge processing may not be initiated until the Soldier has been counseled formally concerning deficiencies and has been afforded an opportunity to overcome those deficiencies as reflected in appropriate counseling or personnel records.

d. Limitation. Discharge for personality disorder is not appropriate when discharge is warranted under other chapters of this regulation. For example, if discharge is warranted on the basis of unsatisfactory performance (chap 9, of this regulation), the Soldier should not be discharged under this paragraph regardless of the existence of a personality disorder. Nothing in this paragraph precludes separation of a Soldier having a condition as described in paragraph a, above under any other reason authorized by this regulation.

e. Medical evaluation. When a commander determines that a Soldier may have a medical or mental condition that interferes with the Soldier’s performance of duty and contemplates initiation of separation under this paragraph, the commander will refer the Soldier for a medical or mental health evaluation (or both). Commanders referring Soldiers for a mental status evaluation must comply with the provisions of DODI 6490.04 and AR 600–20.

f. PEB determination. Involuntary administrative separation for a medical condition under this paragraph will not be approved based on a determination that the Soldier is unsuitable for deployment or worldwide assignment if a PEB has determined that the Soldier is fit for duty for the same medical condition. In the event of such a PEB determination, the initial separation authority may request, through the chain of command, that the Secretary of the Army direct a subsequent PEB to determine if the Soldier is unsuitable for continued military service.

6–8. Characterization of service
The service of a Soldier separated under this chapter will be characterized as honorable, unless an uncharacterized description of service is required by paragraph 2–11 of this regulation, or a characterization of general (under honorable conditions) is warranted under chapter 2, section III, of this regulation.

6–9. Procedures
a. For separations under paragraphs 6–2, 6–3, and 6–4, above, prior to characterization of service of general (under honorable conditions), the Soldier will be notified of the specific factors in the service record that warrant such a characterization, and the notification procedure (chap 3, section II, of this regulation) will be used.

b. For separations under paragraphs 6–5, 6–6, and 6–7, above, the notification procedure (chap 3, section II, of this regulation) will be used.

c. For separation under paragraph 6–3, above, the MATP policy prescribed by chapter 1, section V, of this regulation, will govern whether the Soldier will be discharged from the Army, or retained in, or transferred/reassigned to the IRR.

6–10. Separation authority
a. The authorities cited in paragraph 1–10, of this regulation may order separation under this chapter.

b. The involuntary separation of a Soldier with more than 18 but fewer than 20 years of qualifying service for retired pay requires the approval of HQDA (para 1–11, of this regulation).

Chapter 7
Defective Enlistments and Reenlistments

7–1. Minority enlistments
a. Basis.

(1) Under age 17. A minor under 17 years of age is barred from entering into a valid enlistment. The enlistment is void in the case of a minor who was under 17 years of age at date of enlistment and who has not attained the age of 17 on receipt of satisfactory evidence of the date of his or her birth.

(2) Age 17. Except when retained for the purpose of trial by court-martial, the Soldier will be separated in the following circumstances:

(a) There is satisfactory evidence that the Soldier is under 18 years of age.
(b) The Soldier enlisted without the written consent of his or her parent or guardian.

(c) An application for the Soldier’s separation has been submitted to the Soldier’s command by the parent or guardian within 90 days of the Soldier’s enlistment.

b. Description of separation.

1. A Soldier separated under paragraph a(1), above, will receive an order of release from the custody and control of the Army (by reason of void enlistment) (Orders Format 505, AR 600–8–105).

2. The separation of a Soldier under paragraph a(2), above, will be described as an entry level separation and the service will be uncharacterized.

c. Procedure. The notification procedure (chap 3, sec II, of this regulation) will be used.

d. Separation authority. The authorities cited in paragraph 1–10, of this regulation, may order separation under this paragraph.

7–2. Erroneous enlistment, reenlistment, and extension

a. Basis. A Soldier may be discharged on the basis of an erroneous enlistment, reenlistment, or extension of enlistment under the guidance set forth in chapter 2, section I, of this regulation. An enlistment, reenlistment, or an extension of enlistment is erroneous in the following circumstances, if:

1. It would not have occurred had the relevant facts been known by the Government or had appropriate regulations been followed.

2. It was not the result of fraudulent conduct on the part of the Soldier.

3. The defect is unchanged in material respects.

b. Actions on discovery. When it is discovered that a Soldier’s enlistment, reenlistment, or extension is erroneous because he or she failed to meet the qualifications for enlistment, reenlistment, or extension (AR 140–111, AR 601–210, AR 601–280, or NGR 600–200), as applicable, the unit commander (Commander, HRC (AHRC–EP–S) for IRR, IMA, or Standby Reserve Soldiers) will initiate action to retain, discharge, or release the Soldier, as appropriate, under the provisions of this paragraph. The unit commander (Commander, HRC (AHRC–EP–S), for IRR, IMA, or Standby Reserve Soldiers) will forward the case through channels to the appropriate separation authority (para 1–10, of this regulation) with the following information:

1. Facts relating to and circumstances surrounding the erroneous enlistment or extension.

2. The desire of the Soldier regarding retention or discharge.

3. A statement by the immediate commander as to the Soldier’s conduct, efficiency, and overall value to the Army.

4. A specific recommendation for retention or discharge, and the reasons, by each commander in the chain of command.

c. Actions by separation authority. The separation authority will—

1. Direct retention.

(a) In an exceptionally meritorious case involving a disqualification listed as nonwaivable in AR 140–111, AR 601–210, or AR 601–280, when, in the judgment of the separation authority, retention of the Soldier is definitely in the best interest of the Army and retention is otherwise in accordance with law. The following statement will be entered in Item 27 of the Soldier’s Personnel Qualification Record (DA Form 2–1): “Discharge action based on erroneous enlistment or extension is waived and retention is authorized by.”

(b) In those cases in which the disqualification was waivable or the defect is no longer present and retention is deemed to be in the best interest of the Army and the Soldier. The Soldier’s Personnel Qualification Record will be annotated as in paragraph (1)(a), above.

2. Direct separation.

(a) In those cases in which the disqualification was waivable or the defect is no longer present and discharge is requested by the Soldier and deemed to be in the best interest of the Army. (Format 500, AR 600–8–105).

(b) In all cases in which the disqualification was nonwaivable, initiate separation proceedings, except in extremely meritorious cases as described in paragraph c(1)(a), above.

(c) When it has been established that an enlistment is erroneous because it was effected without the voluntary consent of a person who has the capacity to understand the significance of the enlistment (to include persons intoxicated or insane at enlistment) and a constructive enlistment did not arise within the same term of service, issue orders releasing the person from custody and control of the Army by reason of a void enlistment (Format 505, AR 600–8–105). The following entry will be made in Item 27, DA Form 2–1: “Released from custody and control of the Army by virtue of a void enlistment (cite order number and issuing headquarters).” A copy of the orders releasing the individual will be filed as a permanent document in their AMHRR.

(d) When it has been established that an enlistment is erroneous because the individual is a deserter from another military service, issue orders releasing the person from custody and control of the Army by reason of a void enlistment (Format 505, AR 600–8–105), regardless of any subsequent constructive enlistment.

(e) If before an enlistee’s departure from a military entrance processing station, if it is discovered that he or she was erroneously enlisted in a circumstance, set forth in DODI 1332.14, enclosure 3, subparagraph E3.A1.1.5.2, the

AR 135–178 • 18 March 2014

71
enlistment will be voided as follows. The military entrance processing station commander will revoke any orders already issued regarding the enlistee’s assignment and training and will issue an order assigning the individual to the adjacent RBN. The RBN commander will issue orders releasing the person from custody and control of the Army by reason of a void enlistment (Format 505, AR 600–8–105).

d. Characterization or description of service.

(1) When discharged under paragraph c(2)(a), above, service will be characterized as honorable unless an uncharacterized description of service is required by paragraph 2–11a, of this regulation.

(2) When separated under paragraphs c(2)(b) through (e), above, the separation will be described as a release from custody and control of the Army and service will not be characterized.

e. Procedure

(1) If the command recommends the Soldier be retained in military service, the initiation of separation proceedings is not required if the separation authority approves the recommendation.

(2) If separation processing is initiated, the notification procedure (chap 3, sec II, of this regulation) will be used.

f. Separation authority. The authorities cited in paragraph 1–10, of this regulation, may order separation under this paragraph.

7–3. Defective enlistments or reenlistments

a. Basis. A defective enlistment or reenlistment agreement exists in the following circumstances:

(1) As a result of a material misrepresentation by recruiting or retention personnel, upon which the Soldier reasonably relied, and the Soldier was induced to enlist or reenlist with a commitment for which the Soldier was not qualified.

(2) The Soldier received a written enlistment or reenlistment commitment from recruiting or retention personnel for which the Soldier was qualified, but which cannot be fulfilled by the Army.

(3) The enlistment or reenlistment was involuntary.

b. Characterization or description. Service will be characterized as honorable, unless an uncharacterized description of service, or an order of release from custody and control of the Army (by reason of void enlistment) is required under chapter 2, section III, of this regulation.

c. Requirements. This provision does not bar appropriate disciplinary action or other administrative separation proceedings regardless of when the defect is raised. Separation is appropriate under this provision only in the following circumstances:

(1) The Soldier did not knowingly participate in creation of the defective enlistment or reenlistment;

(2) The Soldier brings the defect to the attention of appropriate authorities within 30 days after the defect is discovered or reasonably should have been discovered by Soldier;

(3) The Soldier requests separation instead of other authorized corrective action; and

(4) The request otherwise meets such criteria as established by this regulation.

d. Separation authority. The authorities cited in paragraph 1–10, of this regulation, may order separation under this paragraph.

7–4. Fraudulent enlistments or reenlistments

a. Basis. A Soldier may be separated under the guidance set forth in chapter 2, section I, of this regulation, on the basis of procurement of a fraudulent enlistment or reenlistment through any deliberate material misrepresentation, omission, or concealment which, if known at the time of the enlistment or reenlistment might have resulted in rejection. This includes all disqualifying information requiring a waiver. However, the enlistment of a minor with false representation as to age without proper consent will not in itself be considered as fraudulent enlistment.

b. Establishing fraud. The following tests must be applied in each case of suspected fraudulent enlistment or reenlistment to establish that the enlistment or reenlistment was, in fact, fraudulent:

(1) First test. Commanders will determine if previously concealed information is in fact disqualifying. This information will be evaluated using the appropriate criteria for enlistment or reenlistment. Any waivable or nonwaivable disqualification concealed, omitted, or misrepresented constitutes fraudulent entry. This includes concealing information with alleged or actual recruiter connivance. If, however, the newly revealed information does not amount to a disqualification from enlistment or reenlistment under the appropriate regulation, then there is no fraudulent enlistment or reenlistment. Hence, the enlistment or reenlistment is valid and separation may not be directed.

(2) Second test. Commanders must verify the existence and true nature of the apparently disqualifying information. Verification of the actual offense may reveal that the enlistee was not disqualified and, therefore, is not a fraudulent enlistee. For example, if the Soldier alleged that he or she was convicted of burglary and placed on probation, inquiries must be made whether he or she was actually convicted of burglary. In fact, he or she may have initially been charged with burglary, but it may have been reduced to trespass, which is a minor nontraffic offense for enlistment purposes. If it is the only record that the Soldier has, he or she is not disqualified for enlistment or reenlistment. Hence, the
enlistment or reenlistment is valid and separation may not be directed. To conduct an inquiry using these tests to establish existence of fraud, a delay of 30 days is considered reasonable.

c. Fraudulent actions. The following represent some, but not all, of the actions which, when verified, substantiate the existence of a fraudulent enlistment or reenlistments:

1. Concealment of a prior separation from any of the Armed Forces of the United States under conditions barring enlistment or reenlistment in the ARNGUS or USAR.

2. Concealment of true citizenship status by an alien at the time of enlistment or reenlistment.

3. Concealment by a Soldier of a conviction by civil court for a criminal offense for which the Soldier was sentenced to imprisonment, probation, or parole, or given a suspended sentence.

4. Concealment of a record as a juvenile offender.

5. Concealment of medical defect or disability that would have precluded enlistment or reenlistment in the ARNGUS or USAR for the purpose of fraudulently obtaining veteran’s benefits, hospitalization, disability retirement, monetary benefits, or a position to which the person would not otherwise be entitled.

6. Concealment of absence without leave or desertion from an Armed Force of the United States.

7. Misrepresentation of intent with regard to legal custody of children. Wherein a Soldier without a spouse at the time of enlistment certified that children were not under his or her legal custody and then following enlistment, custody of the children is regained by court decree, as provided by State law, or as a result of the children resuming residency with the Soldier instead of the legal custodian.

8. Concealment disqualification. Where a Soldier has procured entry into the ARNGUS or USAR by assuming the identity of another individual, or by concealment of any fact, circumstances, or condition that existed prior to enlistment or reenlistment which would have made the Soldier ineligible.

d. Characterization or description. Characterization of service or description of separation will be in accordance with chapter 2, section III, of this regulation. If the fraud involves concealment of a prior separation in which service was not characterized as honorable, characterization normally will be under other than honorable conditions.

e. Requirements. The notification procedure (chap 3, sec II, of this regulation) will be used except as follows:

1. Characterization of service under other than honorable conditions may not be issued unless the administrative board procedure (chap 3, sec III, of this regulation) is used.

2. When the sole reason for separation is fraudulent entry, suspension of separation (chap 2, sec II, of this regulation) is not authorized. When there are approved reasons for separation in addition to fraudulent entry, suspension of separation is authorized only in the following circumstances:

   (a) A waiver of the fraudulent entry is approved by the proper authority; and

   (b) The suspension pertains to reasons for separation other than fraudulent entry.

3. If the command recommends that the Soldier be retained in the ARNGUS or USAR, the initiation of separation processing is unnecessary in the following circumstances:

   (a) The defect is no longer present; or

   (b) The defect is waivable and a waiver is obtained from appropriate authority.

   (4) (Rescinded.)

f. Separation authority. The authorities cited in paragraph 1–10, of this regulation, may order separation under this paragraph.

Chapter 8
Entry Level Performance and Conduct

8–1. Basis

a. A Soldier may be separated under this chapter if he or she is notified of the initiation of separation proceedings while in an entry level status (see glossary) when it is determined under the guidance set forth in chapter 2, section I, of this regulation, that the Soldier is unqualified for further military service by reason of unsatisfactory performance or conduct (or both), as evidenced by inability, lack of reasonable effort, failure to adapt to the military environment or minor disciplinary infractions.

b. When separation of a Soldier in entry level status is warranted by unsatisfactory performance or minor disciplinary infractions (or both), the Soldier normally will be separated in accordance with this chapter. Nothing in this chapter prevents separation under another provision of this regulation when such is warranted.

8–2. Counseling and rehabilitation
Separation processing may not be initiated under this chapter until the Soldier has been formally counseled under the requirements prescribed by paragraph 2–4, of this regulation.
8–3. Characterization and description
The service of a Soldier who is separated under this chapter will be uncharacterized.

8–4. Procedures
   a. The notification procedure (chap 3, sec II, of this regulation) will be used.
   b. The MATP policy prescribed by chapter 1, section V, of this regulation, will govern whether the Soldier will be discharged, or transferred to the IRR.

8–5. Separation authority
The authorities cited in paragraph 1–10, of this regulation, may order separation under this paragraph.

Chapter 9
Unsatisfactory Performance

9–1. Basis
A Soldier may be discharged when it is determined under the guidance set forth in chapter 2, section I, of this regulation, the Soldier is unqualified for further military service by reason of unsatisfactory performance.

9–2. Criteria
   a. Commanders will take action to discharge a Soldier for unsatisfactory performance when it is clearly established that—
      (1) In the commander’s judgment—
         (a) A Soldier will not develop sufficiently to participate satisfactorily in further training or become a satisfactory Soldier.
         (b) The seriousness of the circumstances forming the basis for initiation of discharge proceedings is such that the Soldier’s retention would have an adverse impact on military discipline, good order, and morale.
      (2) There is a likelihood that the Soldier will be a disruptive influence in present or future duty assignments.
      (3) There is a likelihood that the circumstances forming the basis for initiation of separation proceedings will continue or recur.
      (4) The ability of the Soldier to perform duties effectively in the future, including potential for advancement or leadership, is unlikely.
      (5) The Soldier meets retention medical standards (AR 40–501). See paragraph 1–8, of this regulation.
   b. Commanders will initiate discharge action only when the Soldier is under military control. As an exception, commanders may initiate this action when a Soldier is confined by civil authorities and his or her military record indicates that he or she should be processed for separation by reason of unsatisfactory performance.
   c. When a Soldier has committed serious acts of misconduct, commanders will not take action prescribed in this chapter in lieu of discharge for misconduct under chapter 12, of this regulation solely to spare him or her penalties.
   d. This chapter applies also to Soldiers who are pregnant and whose substandard duty performance is not attributable solely to the condition of pregnancy, such as, failure to report to duty without medical or military authorization.
   e. Initiation of discharge proceedings is required for Soldiers without medical limitations who have two consecutive failures of the Army Physical Fitness Test, or who are eliminated for cause from Noncommissioned Officer Education System courses, unless the responsible commander chooses to impose a bar to reenlistment in accordance with AR 140–111, or NGR 600–200.

9–3. Counseling and rehabilitation
Discharge processing may not be initiated under this chapter until the Soldier has been formally counseled under the procedures prescribed by paragraph 2–4, of this regulation.

9–4. Suspension of favorable personnel action
Favorable personnel action will be suspended in accordance with AR 600–8–2 upon initiation of discharge proceedings under this chapter.

9–5. Medical processing and evaluation
Medical processing and evaluation guidance is listed in paragraph 1–8, of this regulation.
9–6. **Characterization of service**

The service of Soldiers discharged because of unsatisfactory performance will be characterized as honorable or general (under honorable conditions) in accordance with chapter 2, section III, of this regulation.

9–7. **Procedures**

a. The notification procedure (chap 3, sec II, of this regulation) will be used, except under paragraph b, below.

b. The administrative board procedure (chap 3, sec III, of this regulation) will be used if the Soldier has 18 but fewer than 20 years of qualifying service for retired pay.

9–8. **Separation authority**

a. The authority cited in paragraph 1–10, of this regulation, may order discharge under this chapter.

b. The discharge of a Soldier with more than 18 but fewer than 20 years of qualifying service for retired pay requires the approval of HQDA (para 1–11, of this regulation).

Chapter 10
(Rescinded.)

Chapter 11
**Substance Abuse Rehabilitation Failure**

11–1. **Basis**

- a. Initiation of discharge proceedings is required in the case of a Soldier who has been referred to a program of rehabilitation for alcohol or drug abuse under the provisions of AR 600–85, and who fails, through inability or refusal to participate in, cooperate in, or successfully complete the program in the following circumstances:
  1. There is a lack of potential for continued military service.
  2. Long-term rehabilitation in a civilian medical facility is determined necessary.
  3. Rehabilitation failure includes Soldiers with a subsequent alcohol or drug-related incident of misconduct at any time during the 12–month period following successful completion of the Army Substance Abuse Program or during the 12–month period following removal from the program.

b. A Soldier may be discharged when the commander, in consultation with an Army Substance Abuse Program official (AR 600–85), determines that further rehabilitation efforts are not practical, rendering the Soldier a rehabilitation failure, and discharge is in the best interest of the Army.

c. Nothing in this chapter precludes discharge of a Soldier who has been referred to such a program under any other provision of this regulation in appropriate cases.

d. Soldiers with a subsequent alcohol or drug-related incident of misconduct at any time during the 12–month period following successful completion of the Army Substance Abuse Program, or during the 12–month period following removal from the program for any reason, will be processed for separation as an alcohol or drug abuse rehabilitation failure.

11–2. **Characterization or description**

When a Soldier is discharged under this chapter, characterization of service as honorable or general (under honorable conditions) is authorized, except when service is uncharacterized for Soldiers in entry level status.

- a. The relationship between voluntary submission for treatment and the evidence that may be considered on the issue of characterization is set forth in paragraph 2–10f, of this regulation.

b. On the issue of whether mandatory urinalysis results may be considered on the issue of characterization of service, see paragraph 2–10g, of this regulation, and AR 600–85.

11–3. **Procedures**

- a. The notification procedure (chap 3, sec II, of this regulation) will be used, except under paragraph b, below.

b. The administrative board procedure (chap 3, sec III, of this regulation) will be used if the Soldier has 18 but fewer than 20 years of qualifying service for retired pay.

11–4. **Separation authority**

- a. The authorities cited in paragraph 1–10 of this regulation may order discharge under this chapter.
b. The discharge of a Soldier with more than 18 but fewer than 20 years of qualifying service for retired pay requires the approval of HQDA (para 1–11, of this regulation).

Chapter 12
Misconduct

12–1. Basis
A Soldier may be discharged for misconduct when it is determined under the guidance set forth in chapter 2, section I, that the Soldier is unqualified for further military service by reason of one or more of the following circumstances:

a. Minor disciplinary infractions. A pattern of misconduct consisting solely of minor disciplinary infractions. If separation of a Soldier in entry level status is warranted solely by reason of minor disciplinary infractions, the action will be processed under Entry Level Performance and Conduct (chap 8, of this regulation).

b. A pattern of misconduct. A pattern of misconduct consisting of discreditable involvement with civil or military authorities or conduct prejudicial to good order and discipline. Discreditable conduct and conduct prejudicial to good order and discipline include conduct which violates the accepted standards of personal conduct found in the UCMJ, Army regulations, the civil law, and time-honored customs and traditions of the Army.

c. Commission of a serious offense. Commission of a serious military or civilian offense, if the specific circumstances of the offense warrant discharge and a punitive discharge would be authorized for the same or a closely related offense under the UCMJ.

d. Abuse of illegal drugs or alcohol. Illegal drug use is serious misconduct. Discharge action normally will be based upon commission of a serious offense. However, relevant facts may mitigate the nature of the offense. Therefore, a single drug offense may be combined with one or more disciplinary infractions or incidents or other misconduct and processed for discharge under paragraph a or b, above, as appropriate.

(1) Commanders will process for separation all Soldiers who—

(a) Test positive for illegal drug use.

(b) Involved in two serious incidents of alcohol-related misconduct within a 12-month period, in accordance with AR 600-85, paragraph 10-6.

(c) Involved in illegal trafficking, distribution, possession, use, or sale of illegal drugs.

(d) Convicted of driving while intoxicated or driving under the influence a second time during his or her career.

(e) Have not been referred to a court-martial authorized to impose a punitive discharge.

(2) The term “process for separation” means that the separation action will be initiated and processed through the chain of command to the separation authority for appropriated action.

(3) Voluntary (self) identification/referral in accordance with AR 600-85 does not require initiation of discharge proceedings under this paragraph.

e. Civil conviction. See paragraph 12–2, below.

12–2. Conviction by civil court
A Soldier may be discharged for misconduct when it is determined under the guidance set forth in chapter 2, section I, that the Soldier is unqualified for further military service by reason of a civil conviction.

a. Conditions which subject Soldier to discharge.

(1) Discharge action may be initiated against Soldiers under the following circumstances:

(a) When initially convicted by civil authorities. Conviction includes a plea or finding of guilty, a plea of nolo contendere (plea of no contest – plea guilty to the charge(s) without admitting guilt), and all other actions tantamount to a finding of guilty, including adjudication withheld, deferred prosecution, entry into adult or juvenile pretrial intervention programs, and any similar disposition of charges.

(b) When a punitive discharge would be authorized for the same or a closely related offense under the UCMJ, or the sentence by civil authorities includes confinement for 6 months or more without regard to suspension or probation.

(c) When specific circumstances of the offense warrant discharge.

(2) The immediate commander will consider whether to initiate discharge action against a Soldier when the criteria of paragraph a, above are satisfied.

(3) Adjudication in juvenile proceedings includes adjudication as a juvenile delinquent, wayward minor, or youthful offender.

(4) If no discharge action is undertaken on a Soldier’s final civil conviction after the passage of 2 years, it is presumed that the Soldier’s commanding officer has determined that retention of the Soldier is in the best interest of the Army. However, this presumption may be rebutted and discharge action initiated when it is established by a preponderance of the evidence that the Soldier’s commanding officer did not make such a determination.

b. Appeals. A Soldier will be considered as having been convicted or adjudged a juvenile offender even though an
appeal is pending or is subsequently filed. A respondent subject to discharge under this regulation will be considered and processed for discharge even though he or she has filed an appeal or has stated his or her intention to do so. However, execution of the approved discharge will be withheld until the Soldier has indicated in writing that he or she does not intend to appeal the conviction or adjudication as a juvenile offender, or until the time an appeal may be made has expired, whichever is earlier; or if an appeal has been made, until final action has been taken. On request of the Soldier or when the Soldier is present for duty and the commander believes his or her presence is detrimental to good order and discipline or the Soldier presents a threat to the safety and welfare of other members of the organization, it may be appropriate to discharge a Soldier prior to final action on an appeal. In such cases, the entire file will be forwarded to HQDA (para 1–12, of this regulation) for a final decision. The recommendation of the separation authority for immediate discharge as an exception will fully substantiate the circumstances on which the recommendation is based.

c. Retention action. Cases often arise that warrant consideration with a view toward retention of the Soldier in the Army.

(1) In determining whether retention should be recommended or approved, full consideration should be given to the gravity of the offense involved, the circumstances related to it and any matters in extenuation. Also, the military record of the Soldier prior to the commission of the offense should be considered as well as prospects for rehabilitation.

(2) If retention in the Army is desired and a form of civil custody exists, such as parole or probation, the nature of which would interfere with the Soldier’s normal performance of military duties, civil authorities will be requested to relinquish such custody during the Soldier’s term of military service. If the civil authorities decline to relinquish custody or if the conditions placed on relinquishment of custody are unduly burdensome to the Army, as a general rule, the Soldier will not be considered for retention, but will be discharged under this regulation.

d. Action following disposition by civil courts:

(1) When discharge is contemplated, while a Soldier is under military control, the unit commander will take action as specified in the administrative board procedure (chap 3, sec III, of this regulation). Where the Soldier is confined, the provisions of paragraph 2–18 and chapter 3, section IV, of this regulation, are applicable.

(2) If the sole basis for discharge is conviction of a civil offense, counseling and rehabilitative efforts are not required prior to initiation of discharge action.

(3) When a board hearing has been properly waived, the case will be processed under the notification procedure and the separation authority will take action under paragraph 3–9, of this regulation.

12–3. Procedures for civil court cases in foreign countries

a. Discharge of Soldiers convicted by a foreign tribunal may be approved by outside continental United States (OCONUS) area commanders except as provided in paragraph c, below. This authority may be delegated to an Army Reserve Command/General Officer Command commander with a judge advocate on his or her staff. Every action taken in such delegation will state the authority. When a Soldier is convicted by a foreign tribunal, and the Soldier returns to the United States before the initiation or completion of discharge proceedings in accordance with this paragraph, discharge proceedings will be initiated or completed in accordance with paragraph 11–2, above. The proceedings will be completed as if the Soldier had been convicted by a court of the United States or its territorial possession. However, the recommendation for discharge will include the items specified in paragraphs b(1) through (4), below. In such cases, the authorities specified in paragraph 1–10, of this regulation, may approve and order discharge under this paragraph if the Soldier has been assigned to their command. However, HQDA (para 1–12, of this regulation) authorization is required before Soldiers who have completed 18 but fewer than 20 years of qualifying service for retired pay may be discharged. This provision is not intended to relieve OCONUS commanders of their responsibility to promptly initiate and process civil court cases on Soldiers of their command.

b. The commander will forward the board proceedings, or waiver, through channels to the OCONUS area commander. Cases will be processed through the chain of command to the commander in the United States authorized to approve discharge. In both situations, the recommendation regarding discharge will include—

(1) Information concerning the civil record and military service of the Soldier.

(2) A statement from the court indicating that the Soldier has been initially convicted.

(3) A statement as to the type of discharge and the character of service desired. This will include a statement as to whether paragraph 3–10, of this regulation, has been complied with.

(4) A report of the trial proceedings submitted by the official U.S. observer, if any, attending the trial or a transcript of the record of trial, if obtainable.

c. Soldiers confined in foreign prisons will not be discharged from military service until the term of imprisonment is completed and they return to the United States. Normally, Soldiers whose cases are disposed of by a foreign tribunal, but not confined, or who are confined but whose release from confinement is imminent, will be returned to the United States, or its territorial possessions for discharge. It is general policy that the Soldier will be returned to the continental United States. Very unusual cases may be forwarded through command channels to HQDA (para 1–12, of this regulation), with supporting reasons as to why a Soldier should be authorized discharge in a foreign country. Only most
unusual situations will be considered. If discharge in a foreign country is desired, either by the commander or the Soldier concerned, this paragraph will be complied with before such requests are submitted to HQDA.

d. If HQDA authorizes discharge in a foreign country, the overseas commander accomplishing the discharge will inform the nearest U.S. diplomatic or consular mission of such action.

12–4. Related separations
Soldiers convicted in civilian or military court of the following will be processed for separation:

a. Sex offense. Any Soldier convicted of a sex offense, but whose sentence did not include a punitive discharge, will be processed for separation. This policy applies to all Soldiers currently in the Army, regardless of when the conviction for a sex offense occurred and regardless of component of membership and current status in that component. If the separation authority approves retention, they will initiate an action for the exercise of Secretarial plenary separation authority under paragraph 14–3 of this regulation. If a Soldier who has been convicted of a sex offense has previously been subject to an administrative separation action for that conviction and has been retained as a result of that proceeding, the separation authority will also initiate an action for exercise of Secretarial plenary separation authority under paragraph 14–3 of this regulation. The processing of Secretarial plenary separation authority actions will comply with all current notification and processing guidance contained in this regulation.

b. Sexual assault. Any Soldier convicted of sexual assault, who is not punitively discharged, must be processed for administrative separation. In all instances where administrative separation for an enlisted military sex offender is forwarded to the initial separation authority for final action, and the initial separation authority supports retention, the separation authority will forward the case to the Secretary of the Army for final decision pursuant to Secretarial Plenary Authority (para 14–3).

12–5. Counseling and rehabilitation

a. Separation processing for minor disciplinary infractions or a pattern of misconduct (paras 12–1a and b, above) will not be initiated under this chapter until the Soldier has been formally counseled under the requirements prescribed by paragraph 2–4.

b. If the sole basis for discharge is a single offense (paras 12–1c and d, above) or a civilian conviction or a juvenile adjudication (para 12–2, above), the counseling and rehabilitation requirements of paragraph 2–4, of this regulation, are not applicable.

12–6. Suspension of favorable personnel action
Favorable personnel action will be suspended in accordance with AR 600–8–2 upon initiation of separation processing under this chapter.

12–7. Medical processing and evaluation
Medical processing and evaluation guidance is listed in paragraph 1–8, of this regulation.

12–8. Characterization of service

a. Characterization of service normally will be under other than honorable conditions, but characterization as general (under honorable conditions) may be warranted under the guidelines in chapter 2, section III, of this regulation.

b. For Soldiers who have completed entry level status, characterization of service as honorable is not authorized, unless the Soldier’s record is otherwise so meritorious that any other characterization clearly would be inappropriate. In such cases, separations for misconduct with an honorable characterization will be approved by the separation authority (para 1–10, of this regulation). As an exception, the separation authority will approve separations with service characterized as honorable when the sole evidence of misconduct is command-directed urinalysis results, which cannot be used for characterization of service, or when an administrative discharge board has recommended separation with an honorable characterization of service.

c. When characterization of service under other than honorable conditions is not warranted for a Soldier in entry level status under chapter 2, section III, of this regulation, the service will be described as uncharacterized.

12–9. Procedures

a. The administrative board procedure (chap 3, sec III, of this regulation) will be used, except under b, below.

b. The use of the notification procedure is authorized provided characterization of service under other than honorable conditions is unwarranted.

12–10. Separation authority

a. The authority cited in paragraph 1–10 of this regulation may order discharge under this chapter.
b. The discharge of a Soldier with more than 18 but fewer than 20 years of qualifying service for retired pay requires the approval of HQDA (para 1–11, of this regulation).

Chapter 13
Unsatisfactory Participation in the Ready Reserve

13–1. Basis
a. A Soldier is subject to discharge for unsatisfactory participation when it is determined that the Soldier is unqualified for further military service because:
   (1) The Soldier is an unsatisfactory participant as prescribed by AR 135–91, chapter 4.
   (2) Attempts to have the Soldier respond or comply with orders or correspondence have resulted in—
      (a) The Soldier’s refusal to comply with orders or correspondence.
      (b) A notice sent by certified mail was refused, unclaimed, or otherwise undeliverable.
      (c) Verification that the Soldier has failed to notify the command of a change of address and reasonable attempts to contact the Soldier have failed.
   b. Discharge action may be taken when the Soldier cannot be located or is absent in the hands of civil authorities in accordance with the provisions of paragraph 2–18 and chapter 3, section IV, of this regulation.
   c. Commanders will not take action prescribed in this chapter in lieu of disciplinary action solely to spare a Soldier who may have committed serious misconduct the harsher penalties that may be imposed under the UCMJ.

13–2. Suspension of favorable personnel action
Favorable personnel action will be suspended in accordance with AR 600–8–2 upon initiation of separation processing under this chapter.

13–3. Characterization of service
a. Characterization of service normally will be under other than honorable conditions, but characterization as general (under honorable conditions) may be warranted under the guidelines in chapter 2, section III, of this regulation.
   b. For Soldiers who have completed entry level status, characterization of service as honorable is not authorized unless the Soldier’s record is otherwise so meritorious that any other characterization clearly would be inappropriate. In such cases, separation for unsatisfactory participation with an honorable characterization will be approved by the separation authority (para 1–10, of this regulation). As an exception, the separation authority will approve separation with service characterized as honorable when an administrative separation board has recommended such characterization.
   c. When characterization of service as under other than honorable conditions is not warranted for a Soldier in entry level status under chapter 2, section III, of this regulation, the service will be described as uncharacterized.

13–4. Procedures
a. The administrative board procedure (chap 3, sec III, of this regulation) will be used, except under b, below.
   b. Except for a Soldier who has 18 but fewer than 20 years of qualifying service for retired pay, the use of the notification procedure (chap 3, sec II, of this regulation) is authorized if a characterization of service under other than honorable conditions is not warranted under chapter 2, section III, of this regulation.
   c. The MATP policy prescribed by chapter 1, section V, of this regulation, will govern whether the Soldier will be discharged, or transferred to the IRR.

13–5. Separation authority
a. The authority cited in paragraph 1–10, of this regulation, may order separation under this chapter.
   b. The separation of a Soldier with more than 18 but fewer than 20 years of qualifying service for retired pay requires the approval of HQDA (paras 1–11 and 1–12, of this regulation).

Chapter 14
Secretarial Plenary Authority

14–1. Basis
a. Separation under this paragraph is the prerogative of the Secretary of the Army. Secretarial plenary separation authority is exercised sparingly and seldom delegated. Ordinarily, it is used when no other provision of this regulation
applies, and early separation is clearly in the best interests of the Army. Separations under this chapter are effective only if approved, in writing, by the Secretary of the Army or approved designee as announced in updated memoranda.

b. Secretarial separation authority is normally exercised on a case-by-case basis but may be used for a specific class or category of Soldiers. When used in the latter circumstance, it is announced by a special HQDA directive that may, if appropriate, delegate blanket separation authority to field commanders for the class or category of Soldiers concerned.

c. Individual cases that may be submitted to HQDA for consideration of separation under Secretarial plenary authority include those processed under paragraphs 2–3a, 3–18e, and 3–18f(2)(b), of this regulation. Other bases for separation under this paragraph include, but are not limited to, refusal to submit to medical care (AR 600–20), human immunodeficiency virus (HIV) infection (AR 600–110), and when religious practices cannot be accommodated (AR 600–20).

14–2. Characterization of service
The service of Soldiers separated under this chapter will be characterized as honorable or under honorable conditions as determined under chapter 2, section III, of this regulation, unless an uncharacterized description of service is warranted under paragraph 2–11, of this regulation.

14–3. Procedures
a. Separation under this paragraph may be voluntary or involuntary. When involuntary separation proceedings are initiated, the notification procedure (chap 3, sec II, of this regulation) will be used; however, the provision for requesting an administrative board (para 3–4a(7), of this regulation) is not applicable. Unless waived by HQDA, medical examinations are required for Soldiers being processed for involuntary separation (para 1–8a, of this regulation).

e. Blanket or individual requests for separation under this paragraph will be submitted to the authorities cited in paragraph 1–12, of this regulation. Chain of command forwarding endorsements must include rationale to support determination that early separation is in the best interest of the Army, as well as a statement whether the counseling requirements of paragraph 2–4, of this regulation, have been met. In addition, chain of command forwarding endorsements on individual cases must include recommendations concerning characterization or description of service and, when applicable, transfer or reassignment to the IRR (chap 1, sec V, of this regulation), recoupment of incentives or entitlements (AR 135–7), and award of separation pay.

Chapter 15
Separation for Other Reasons

Section I
Reasons for Separation

15–1. Basis
a. Noncitizens. Provided one of the following conditions exists, a noncitizen will be discharged:

(1) At the time of release from active duty, the Soldier fails or refuses to give a permanent mailing address within the United States or its territories but gives only an address in a foreign country.

(2) Leaves the United States for permanent residence in a foreign country.

(3) Visits a foreign country of which the Soldier is a national for a continuous period of 6 months or more.

b. Ministers of religion and divinity students. A Soldier will be discharged, upon request, if he or she is a regular or ordained minister of religion, or upon entering full-time training to become or to engage in full-time employment as a regular or duly ordained minister of religion.

(1) A minister of religion is classified as either a duly ordained minister of religion or a regular minister of religion as follows:

(a) Duly ordained minister of religion. A person who has been ordained in accordance with the ceremonial ritual or discipline of a church, religious sect, or organization, established on the basis of the community’s doctrine and practices of a religious character, to teach the doctrines of such church, sect, or organization and to administer the rites and ceremonies in public worship, and who, as a regular customary vocation, teaches the principles of religion and administers the ordinances of worship as embodied in the creed or principles of such church, sect, or organization.

(b) Regular minister of religion. A person who as a customary vocation preaches and teaches the principles of the religion of a church, religious sect, or an organization of which the individual is a member without having been formally ordained as a minister of religion, but who is recognized by such church, sect, or organization as a regular minister.

(2) Requests for discharge will be supported by appropriate documentary evidence as follows:

(a) A statement from the appropriate authority of the church, religious sect, or organization that the Soldier has met
the requirements for recognition and has been appointed a regular or duly ordained minister of religion and is employed full-time in a religious occupation paragraph (1), above.

(b) A statement from an appropriate authority of the religious order that as a divinity student the Soldier is fully qualified and acceptable for further religious training; must be separated from military status for further theological education or processing into the religious order or organization; and if separated, will be eligible for ordination or recognition as a minister on or about a specified date.

(c) A statement from the seminary or other educational institution in which the religious training is now or will be received that the individual is now or will be, concurrent with discharge, a full-time divinity student preparing for the ministry.

c. Attainment of maximum allowable age. A Soldier who attains age 60 as set forth in AR 140–10, as appropriate, unless granted a waiver will be discharged or, if eligible and the Soldier applies, be transferred to the Retired Reserve. The discharge will be effective the last day of the month in which the Soldier attains age 60.

d. Approved exemption from involuntary order to active duty. A Soldier will be discharged when a determination is made in accordance with AR 601–25 that the Soldier be exempt from reporting for involuntary call to active duty under emergency or mobilization circumstances.

e. USAR dual status technician. A contractually obligated Soldier who enlisted or reenlisted for permanent employment under the USAR dual status technician program will, on request, be discharged—

(1) On failure to be employed as a technician.
(2) On separation from employment as a technician.

f. Early discharge of Soldier with a bar to reenlistment. A Soldier may be voluntarily discharged before the expiration of his or her service obligation when the Soldier has received a locally imposed bar to reenlistment (AR 140–111, chap 1) and the following provisions have been met:

(1) Except when serving under a statutory MSO, a Soldier who perceives that he or she will be unable to overcome a locally imposed bar to reenlistment may apply for immediate discharge.
(2) A Soldier with a statutory MSO will not be discharged early under this paragraph until completion of the statutory obligation.

(3) An ARNGUS Soldier with a statutory MSO who has been barred from reenlistment or extension in the ARNGUS and discharged early from the ARNGUS will be transferred to the appropriate IRR control group to serve the remaining term of the obligation.

(4) Reassignments or transfers to other units or to the IRR will be curtailed to the extent necessary to permit early discharge under this section.

g. Nonavailability of member of Standby Reserve. A Soldier of the Standby Reserve will be discharged when 12 months after mobilization the Soldier remains unavailable for active duty and the Soldier’s case has been reviewed and discharge determined to be appropriate because of extended nonavailability in accordance with AR 601–25.

h. For security reasons. The Soldier will be processed in accordance with AR 380–67.

i. Discharge from Retired Reserve. A Soldier retired under the provision of 10 USC 3914 may be discharged from the USAR Retired Reserve at the Soldier’s request and on completion of 30 years of active and inactive service. This discharge does not affect the Soldier’s Army of the United States status on the retired list.

j. Confirmed as infected with HIV. As prescribed by AR 600–110, a Soldier who has been confirmed after a second Western Blot test as infected with HIV may request voluntary discharge under the plenary authority of the Secretary of the Army in accordance with chapter 14, of this regulation. Procedures for reassignment of USAR Soldiers to the Standby or Retired Reserve are prescribed by AR 140–10.

k. Medically unfit for retention.

(1) Discharge will be accomplished when it has been determined that a Soldier is no longer qualified for retention by reason of medical unfitness (AR 40–501, AR 40–3) unless the Soldier requests and is—

(a) Granted a waiver under AR 40–501, as applicable.
(b) Determined fit for duty under a non-duty related PEB fitness determination (AR 635–40).
(c) Eligible for transfer to the Retired Reserve (AR 140–10).

(2) Soldiers who do not meet the medical fitness standards for retention due to a condition incurred while on active duty, any type of active duty training, or inactive duty training will be processed as specified in AR 635–40 if otherwise qualified.

l. Conscientious objection. The Soldier will be processed in accordance with AR 600–43.

m. Reduction. Soldiers who exceed maximum years of service as a result of reduction in grade must retire or separate no earlier than 90 days or later than 180 days after the effective date of the reduction in grade.

15–2. Characterization of service
The service of a Soldier separated under this section will be characterized as honorable unless an uncharacterized
description of service is required by paragraph 2–11, of this regulation, or a characterization of general (under
honorable conditions) is warranted under chapter 2, section III, of this regulation.

15–3. Procedures
Prior to characterization of service of general (under honorable conditions), the Soldier will be notified of the specific
factors in the service record that warrant such a characterization, and the notification procedure (chap 3, sec II, of this
regulation) will be used.

15–4. Separation authority
The appropriate authority cited in paragraph 1–10, of this regulation, can order separations under this section.

Section II
Separation from the Delayed Entry Program

15–5. Basis
A Soldier who enlisted in the USAR under the DEP in accordance with AR 601–210, chapter 5, section X, must be
processed for discharge if he or she satisfies the conditions in paragraphs a or b, below, and may be processed for
discharge if he or she satisfies the conditions in paragraphs c or d, below.
   a. Upon enlistment in the regular Army (para 5–4a, of this regulation).
   b. On discovery that the USAR enlistment is defective. The Soldier will be processed for separation under para 7–3,
of this regulation.
   c. The Soldier is found to be ineligible for enlistment in the regular Army.
   d. The Soldier declines enlistment in the regular Army and is not being ordered to active duty as a Reserve of the
Army (10 USC 12103(b)).

15–6. Characterization or description
   a. The service of a Soldier discharged on the basis of paragraph 15–5a, above, is not characterized. (See DD Form 4
(Enlistment/Reenlistment Document Armed Forces of the United States), section G.)
   b. The separation of a Soldier on the basis of paragraph 15–5c or paragraph 15–5d, above, will be described as an
entry level separation and the service will be uncharacterized.

15–7. Procedures
When it is determined that a member of the DEP is unqualified for further military service or has requested separation,
the Commander, U.S. Army RBN, will advise the Soldier, in writing, of the proposed separation and the reasons using
the notification procedure (chap 3, sec II, of this regulation).
   a. The notification memorandum (fig 3–1) will be presented to the Soldier. If the Soldier cannot be personally
notified, the certified mail procedures in paragraph 3–4b, of this regulation, will be applied or an equivalent procedure
if such service is not available by the U.S. mail at an address outside the United States. The notice will inform the
Soldier that he or she must respond by endorsement (fig 3–2) within 30 days from the date of delivery.
   b. Insert the following with the member's original DEP enlistment packet:
      (1) A copy of the endorsement (fig 3–2) completed by the Soldier;
      (2) A copy of the notification memorandum (fig 3–1) and post office receipt; or
      (3) The original notification memorandum (fig 3–1) and envelope marked “unclaimed” or other designation indicat-
ing it was not delivered, and the Affidavit of Service by Mail (fig 1–1).
   d. On receipt of the completed endorsement (fig 3–2) from the Soldier, the Commander, U.S. Army RBN, will make

Chapter 16
Failure to Meet Army Body Composition Standards

16–1. Applicability
The applicability for separation processing under this chapter is determined by the following criteria:
   a. An ARNGUS or USAR Soldier who has not completed IET, or been awarded an MOS, will be processed for discharge under this chapter.
   b. An ARNGUS or USAR Soldier who has completed IET and been awarded an MOS, and is not within 3 months of the date of expiration of a statutory or contractual obligation, whichever is the later, will be processed for separation under this chapter when such processing is required under paragraph 16–2, below, but will only be discharged when it has been determined by the separation authority that the Soldier has no potential to perform useful service if ordered to active duty to meet mobilization requirements in accordance with paragraph 1–25, of this regulation.
   c. A Soldier who is within 3 months of the date of expiration of a statutory MSO will not be processed for separation under this chapter.

16–2. Basis
   a. A Soldier is subject to separation for failure to meet the Army body composition standards in accordance with AR 600–9 when it is determined the Soldier is unqualified for further military service and meets all of the following conditions:
      (1) The Soldier is not diagnosed with a medical condition that precludes participation in the Army weight control program. A Soldier with a medically diagnosed condition that precludes participation in the Army weight control program will be processed through medical channels, if appropriate, or under the guidance set forth in paragraph 6–6, 6–7, or 15–1k, of this regulation.
      (2) The Soldier fails to meet the Army body composition standards in accordance with AR 600–9 and the sole reason for separation is failure to meet those standards.
   b. Where no medical condition exists, initiation of separation proceedings is required for Soldiers who—
      (1) Do not make satisfactory progress in the Army Body Composition Program (ABCP) after a period of 6 months, unless the responsible commander chooses to impose a bar to reenlistment in accordance with AR 140–111, chapter 1, or NGR 600–200, paragraph 7–20.
      (2) Fail to maintain Army body composition standards during the 12–month period following removal from the ABCP.
   c. Separation action under this chapter will not be initiated against a Soldier who meets the criteria for separation
under other provisions of this regulation. For example, a Soldier who, apart from failure to meet body composition
standards, is an unsatisfactory performer will be processed for separation under the provisions of chapter 9, of this
regulation.

16–3. Counseling and rehabilitation
Separation processing may not be initiated under this chapter until the Soldier has been formally counseled under the
requirements prescribed by paragraph 2–4, of this regulation.

16–4. Medical processing and evaluation
Medical processing and evaluation guidance is listed in paragraph 1–8, of this regulation.

16–5. Characterization or description
The service of Soldiers separated under this chapter will be characterized as honorable.

16–6. Separation authority
   a. The authorities specified in paragraph 1–10, of this regulation, are authorized to order separation under this
      chapter.
   b. The separation of a Soldier with more than 18 but fewer than 20 years of qualifying service for retired pay
      requires the approval of HQDA (para 1–11, of this regulation).

Any Soldier, who either is registered as a sex offender or is required to register as a sex offender pursuant to any Department of Defense, Army, State, District of Columbia, Commonwealth of Puerto Rico, Guam, America Samoa, The Northern Mariana Islands, the United States Virgin Islands, Federally recognized Indian tribe, law, regulation or Policy. This definition includes, but is not limited to, any Soldier with a State or Federal conviction for a felony crime of sexual assault or any general or special court-martial conviction for an offense under the Uniform Code of Military Justice that otherwise meets the elements of a crime of sexual assault, even though not classified as a felony or misdemeanor. The requirement to initiate separation proceedings does not apply to a Soldier with a qualifying conviction who is pending execution of a punitive discharge (Bad Conduct Discharge, Dishonorable Discharge, or Dismissal) adjudged by a courts-martial. After preferral of a charge, regardless of any action purporting to discharge or separate a Soldier, any issuance of a discharge certificate is void until the charge is dismissed, the Soldier is acquitted at trial by court-martial, or appellate review of a conviction is complete. Moreover, if a court-martial has adjudged an unsuspended punitive discharge, any issuance of a nonpunitive discharge certificate is void unless the GCMCA or an appellate court has disapproved the adjudged punitive discharge. The Assistant Secretary of the Army for Manpower and Reserve Affairs, the Assistant Secretary’s delegate, or the officer exercising GCMCA over the Soldier at the time of the Soldier’s request for exception, may approve an exception. This definition also applies to a Soldier who is convicted by a foreign government (for example, United Kingdom) of an equivalent or closely analogous covered offense as listed in AR 27-10, Chapter 24. See 42 USC 16911(5)(B) and U.S. Department of Justice, Office of the Attorney General, The National Guidelines for Sex Offender Registration and Notification, Final Guidelines, 73 Federal Register. 38030, 38050-1 (2 July 2008) for guidelines and standards. Standby Reserve
The Standby Reserve consists of personnel maintaining their military affiliation without being in the Ready Reserve, having been designated key civilian employees, or who have a temporary hardship or disability. These Soldiers are not required to perform training and are not part of units. It is a pool of trained Soldiers who may be mobilized as needed to fill manpower needs in specific skills. The Standby Reserve consists of two training categories: the Active Status List and the Inactive Status List.

Statutorily obligated member
A Soldier who is serving by reason of law.

Statutory term of service
The military service obligation incurred on initial entry into the Armed Forces under 10 USC 651.

Troop program unit
A table of organization and equipment or table of distribution and allowances unit of the USAR organization which serves as a unit on mobilization or one that is assigned a mobilization mission. The “unit” in this case is the largest separate unit prescribed by the table of organization and equipment or table of distribution and allowances.

Unsatisfactory participant
A member of the Selected or IRR who fails to participate as outlined in AR 135–91.

U.S. Army Reserve
The Army Reserve includes all Reserves of the Army who are not members of the ARNGUS and who are in a Ready, Standby, or Retired Reserve category. It is a Federal force, consisting of individual reinforcements and combat, combat support, and training type units organized and maintained to provide military training in peacetime, and a reservoir of trained units and individual reservists to be ordered to active duty in the event of a national emergency.
