Program Number Codes

By Order of the Secretary of the Army:

JAMES C. MCCONVILLE
General, United States Army
Chief of Staff

Official:

KATHLEEN S. MILLER
Administrative Assistant
to the Secretary of the Army

History. This publication is an expedited revision. The portions affected by this expedite revision are listed in the summary of change.

Summary. This pamphlet contains procurement program number codes for the identification of all commissioned and warrant officer personnel entering on active duty, active duty for training, and appointed

in the Regular Army from other Army components.

Applicability. This pamphlet applies to the Regular Army, the Army National Guard/Army National Guard of the United States, and the U.S. Army Reserve, unless otherwise stated.

Proponent and exception authority. The proponent of this pamphlet is Deputy Chief of Staff, G–1. The proponent has the authority to approve exceptions or waivers to this regulation that are consistent with controlling law and regulations. The proponent may delegate this approval authority, in writing, to a division chief within the proponent agency or its direct reporting unit or field operating agency, in the grade of colonel or the civilian equivalent. Activities may request a waiver to this regulation by providing justification that includes a full analysis of the expected benefits and must include formal review by the activity's senior legal officer. All waiver requests will be endorsed by the commander or senior

leader of the requesting activity and forwarded through their higher headquarters to the policy proponent. Refer to AR 25–30 for specific guidance.

Suggested improvements. Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms) through Commanding General, U.S. Army Human Resources Command (AHRC–ORD–A), Fort Knox, KY 40122–5402 to Deputy Chief of Staff, G–1, Headquarters, Department of the Army (DAPE–MPA), 300 Army Pentagon, Washington, DC 20310–0300.

Distribution. This pamphlet is available in electronic media only and is intended for the Regular Army, the Army National Guard/Army National Guard of the United States, and the U.S. Army Reserve.

Glossary

Chapter 1

Introduction

1–1. Purpose

This pamphlet provides coding information relating to commissioned and warrant officer personnel ordered to active duty (AD), active duty for training (ADT), or appointed in the Regular Army (RA) from other Army components. A code entitled procurement program number (PPN) has been devised to describe the Procurement Program from which an officer is commissioned or appointed.

1–2. References and forms

See appendix A.

1–3. Explanation of abbreviations and terms

See the glossary.

1–4. Functions

- a.* The Deputy Chief of Staff, G–1 establishes personnel policies relating to the procurement program.
- b.* The Surgeon General develops appointment and/or procurement policies, health education, and training programs for all Army Medical Department (AMEDD) personnel.
- c.* The Judge Advocate General reviews Department of the Army (DA) administrative changes to verify the legality of prescribed policies and changes.
- d.* The Commanding General, U.S. Army Human Resources Command conducts and supervises all officer procurements in this pamphlet.
- e.* Commanders of Army commands (ACOMs), Army service component commands (ASCCs), direct reporting units (DRUs), and personnel service support units comply with the Procurement Program outlined in this pamphlet for the administrative processing of personnel to the RA.

Chapter 2

Managing Procurement Actions

2–1. Records

PPNs will be entered on DA Form 4037 (Officer Record Brief) under the provisions of AR 600–8–104. Submission will be made at time of entry on AD, ADT, or appointment in the RA from other Army components.

2–2. Procurement program numbers

The PPNs that identify all commissioned and warrant officer AD gains, ADT gains, and appointments in the RA from other Army components are listed in tables 2–1 through 2–15.

- a.* Tables 2–1 through 2–4 delineate the PPNs applicable to commissioned officer (CO), warrant officer, and Uniformed Services University of the Health Sciences (USUHS) gains to the RA.
- b.* Tables 2–5 through 2–10 delineate the PPNs applicable to commissioned and warrant officer gains to the U.S. Army Reserves (USAR). Table 2–8 applies to personnel who held an appointment as a commissioned or warrant officer prior to ordered to active duty (OAD). It does not apply to personnel whose OAD is concurrent with receipt of an appointment.
- c.* Table 2–11 delineates the PPNs applicable to Medical Corps (MC), Dental Corps (DC), Veterinary Corps (VC), Army Nurse Corps (AN), Army Medical Specialist Corps (AMSC), and Medical Service Corps (MS) commissioned officers.
- d.* Tables 2–12 through 2–15 delineate the PPNs applicable to the U.S. Army Health Professions Scholarship Program (HPSP).

2–3. Orders

Individual orders will include PPNs as prescribed in AR 600–8–105 (refer to the various order formats). Orders prepared by Army commands, Army service component commands, and direct reporting units will include the proper PPN. Each PPN will be identified as applicable to—

- a.* Appointment in the RA and orders to AD as an RA officer.

- b. Appointment in the RA while on AD in another Army component.
- c. Appointment in the USAR.
