Terms

Army
The RA, Army of the United States, the ARNGUS, and the U.S. Army Reserve (USAR).

Career counselor
RA Career Counselor (formerly retention noncommissioned officer (NCO)) and RC Career Counselor (formerly transition NCO). The term “Career Counselor” describes the commander’s principal asset responsible for advising Soldiers on their careers and the various options offered by an RA or RC Army career. RA Career Counselors routinely counsel Soldiers on procedures and eligibility for RA reenlistment. However, the RA Career Counselor is also responsible for counseling on opportunities available with the USAR and Army National Guard (ARNG), and works in tandem with the RC Career Counselor in processing Soldiers who separate from the RA and elect enlistment or affiliation with the RCs. RC Career Counselors consummate RC contracts, and perform necessary coordination with RC commands as necessary to facilitate a Soldier’s affiliation with the RCs, in addition to the counseling associated with their normal duties. DA Pam 611–21 describes various duty positions within the career counseling MOS.

Careerist
A Soldier who has more than 36 months of active Federal service. This definition is used only within Headquarters, Department of the Army (HQDA) and the DOD for statistical purposes. A careerist should not be confused with a “second or
subsequent termer” as used in assignment of reenlistment objectives. A category of reenlistment objective composed of Soldiers on their second or subsequent enlistment who will have more than 10 years of active Federal service at expiration term of service (ETS) or on their separation date.

Cause (with regard to Noncommissioned Officer Education System removal)
Elimination for cause includes conduct, disciplinary or academic deficiency, failure, or a combination thereof. A bar is a probationary or rehabilitative measure, intended to put a Soldier on notice that he or she does not meet standards, but is being given a chance to correct the deficiency or shortcoming. If the Soldier corrects the problem, the bar is removed. Initiation of separation proceedings means that, in the commander’s judgment, the Soldier will never meet standards and that early separation is in the best interest of the service.

Command Sergeant Major Program
Retention of command sergeants major and/or sergeants major beyond 30 years active Federal service is limited to those in nominative assignments and/or selected to fill command sergeants major/sergeants major positions where the commander is a general officer. Command sergeants major chosen as Commandant, U.S. Army Sergeants Major Academy are also included in this rule.

First enlistment (also initial enlistment)
A voluntary enrollment in the RA as an enlisted member for the first time by a Soldier with no prior RA service or with prior service only in other branches of the Armed Forces.

First termer
A term used only within HQDA and DOD for statistical purposes to indicate a Soldier with 36 months or less of active Federal military service. This term is not the same and should not be interchanged with the term “initial termer.”

Immediate reenlistment
A voluntary second or subsequent enrollment in the RA as an enlisted Soldier immediately upon separation from active military service in the Army. This term represents a concurrent action in which the separation document is not given to a Soldier until the Soldier has reenlisted in the RA.

Immediate reenlistment prohibition code
A systematic code used by the U.S. Army to identify Soldiers not-eligible to reenlist. This code is often referred as IMREPR.

Initial termer
A Soldier serving on an initial term of active Federal military service, or a Soldier who has previously served less than 180 cumulative days on active duty as a member of the Armed Forces.

In–service personnel
Soldiers currently serving on active duty in the Army.

Mid–career
A category of reenlistment objective assigned by HQDA to the Army commands, Army service components, and direct reporting units. A "mid-career" is a Soldier on a second or subsequent period of active Federal military service who will have 10 or less years of active Federal military service on his or her separation date or at ETS.

Noncommissioned officer career status program reenlistment
A reenlistment period of an "indefinite or unspecified" term. A Soldier on NCO career status has no actual ETS date. The Soldier’s service is governed by maximum retention control points for the specific rank held. Generally, the Soldier is permitted to serve up to the retention control points for current rank, unless sooner separated or removed from active duty under other law or policies.

Persons, applicants, personnel, Soldier
These terms, unless used in such a way as to apply to only one sex in general usage, are used in this pamphlet to mean both men and women.

Prior service personnel
In-service personnel with service before their current period of active duty.

Reenlistee
The Soldier reenlisting. Generally used in the same context as "applicant."
Reenlistment eligibility codes
These are codes which are assigned to Soldiers who do not immediately reenlist at the last duty station to which assigned. The purpose of these codes is to inform the RC Career Counselor and the Army recruiter of the Soldier’s eligibility to reenter the service. They are also referred to as "reentry codes." A listing of these codes is found in AR 601–210.

Reenlistments
All voluntary enrollments after the initial enlistment and/or induction.

Regular Army
The RA consists of: (1) RA Soldiers on active duty; (2) ARNGUS and USAR Soldiers on active duty; (3) ARNG Soldiers in the service of the United States pursuant to a call; and (4) all persons appointed, enlisted, or inducted into the Army without component. Excluded are ARNGUS and USAR Soldiers serving on: (1) active duty for training; (2) Active guard reserve; (3) active duty for special work; (4) temporary tours of active duty for 180 days or less; and (5) active duty pursuant to the call of the President (see 10 USC 12304).

Retention and Reclassification Branch
Serves as the coordinating agency to the Commander, U.S. Army Human Resources Command, responsible for the implementation and execution of DCS, G–1 policy pertaining to the Army Retention and Reclassification Programs while managing the daily retention operations Army wide.

Retention noncommissioned officer
A Soldier assigned reenlistment duties on a full or part-time basis who does not possess a primary military occupational specialty within career management field 79.

Second or subsequent termer
A Soldier who has reenlisted one or more times and is, therefore, on their second or subsequent term of active Federal military service. Soldiers who have prior service in another branch of the Armed Forces enter the Army as a "second or subsequent termer."

Unsuitable Soldiers
Soldiers who may exhibit their unsuitability through interests or habits that are detrimental to the maintenance of good order and discipline and who may have records of minor misconduct requiring repetitive corrective or disciplinary action.

Untrainable Soldiers
Soldiers who are found lacking in abilities and aptitudes to the extent that they require frequent or continued special instruction or supervision.
